

Transitions at School

Transition means going from one classroom to another classroom

When I transition I will

- walk
- go right to the classroom
- Talk to people in "OK" ways

"OK" ways to talk to people during transitions

- say "Hi" or "What's Up?"
- say kind, friendly things
- give a "High Five"

It is not "OK" to

- stop and talk
- say mean, hurtful things to others
- go into other classrooms or the bathroom
- play with things on the playground
- dance
