From the Principal's Desk...

Dear Families,

It has been wild time with the weather and the unusually large number of snow days. It has wreaked havoc with our schedule and I'm know it has been a challenge for you as well. I am hopeful that we will be spared any additional snow days this year. Because of the lost days, Portland Public Schools has made some adjustments to our schedule, which I want to list for you.

- 2nd Quarter will end on February 2
- The Teacher Planning Day will be Febraury 3 - that means we have school this Friday, which previously was the planning day
- All Late Openings for the year have been cancelled to make up for lost time - so the calendar dates in February, March, April, and May which were Late Openings are now regular school days
- At this point, three days have been added to the end of the school year - our last day of school will be Wednesday, June 14

There may be some adjustments to the calendar due to action by the School Board, but these are the current changes. On the back of this sheet is a revised calendar for February. We will update each month's calendar as we go along.

Thank you for your patience as we make these changes and work to get back up to speed. Feel free to call me if you have any questions.
