

HARRISON PARK SCHOOL

2016-2017 School Supply List

At Harrison Park, we are able to offer enhanced learning opportunities for students because of your support and contributions. We are very appreciative of your commitment to our program and the success of all our students. Families are not required to contribute, and students will not be denied opportunity if they cannot or choose not to contribute. Please note that, due to our very limited funding, if we do not receive enough voluntary contributions, we may not be able to offer this opportunity for your students.
