Online Resources for Parents, Peninsula Elementary

<http://www.pps.net/peninsula>

ParentVue

What is it? A communication tool for assignments, grades, and messages from the teacher.

Who is it for? Parents! StudentVue is also available for students.

How do I access it? https://parent-portland.cascadetech.org/portland/Login_Parent_PXP.aspx

*Additional passwords required. Directions for access distributed at start of the school year.

Contact the Main Office for access support.

Mobile app link : <https://parent-portland.cascadetech.org> (Apple and Android)

[Login to ParentVUE/StudentVUE](#)

Google Apps

What is it? Learning, communication tool (Google Classroom) and platform for academic content.

Note: ONLY high school students have access to a District provided email.

Who is it for? Students and Teachers.

How do students access it? <https://sites.google.com/a/apps4pps.net/pps-portal/home/student>

*Students need to know their District username and password.

School Calendar

What is it? Dates for school-wide events, class field trips, PTA events, closures, and late openings.

Who is it for? The Peninsula community.

How do I access it? <http://www.pps.net/Page/390> or click on “View Full Calendar” under “Upcoming Events” on the school’s home page.

Note: Directions for using and syncing the school’s Google calendar with your own Google calendar:

<http://www.gcflearnfree.org/google-tips/getting-started-with-google-calendar/print>

Go to “View Full Calendar” for the iCal feed instructions

PPS Library Catalog

What is it? Online database of the school library collection and links to e-books.

Who is it for? Students and teachers. Curious parents looking to see what books are checked out.

District username and password required for individual student account access. Students can then renew their own books. Same as StudentVue log in.

How do students access it? <http://www.pps.net/domain/1155>

Once you navigate to the website, click on this image:

December 2016

TTL - Type to Learn

What is it? A web-based subscription learning tool that teaches typing skills.

Who is it for? Students. For use while at school and home!

How do I access it? <https://www.typtolearn.com/login/index.php>

Additional passwords required. Contact Ms. Gapp for your student's username.

OSLIS - Oregon School Library Information System

What is it? A database of authoritative, age-appropriate references and e-books.

Who is it for? Teacher led and independent student research.

How do students access it? <http://oslis.org/>

*Additional passwords required off campus. Consult the "Peninsula Library Parent Guide" brochure, available in the school library.

World Book Online

What is it? An electronic encyclopedia.

Who is it for? Teacher led and independent student research.

How do students access it? <http://www.worldbookonline.com/>

*Additional passwords required off campus. Consult the "Peninsula Library Parent Guide" brochure, available in the school library.

District Website

What is it? PPS District web portal. Available in five languages in addition to English.

Access to current and upcoming school year calendar, school board minutes, school index, etc.

Be sure to check out the "Services" link.

Who is it for? All members of the PPS community.

How do I access it? www.pps.net
