Holiday Help for the Peninsula Community by the Peninsula Community

Each year around the winter holidays Peninsula School tries to do something to help out families who may be struggling financially. In the past we have called it our Season of Sharing and it has looked a bit different from year to year. This year we are hoping to continue the tradition but again the support we provide will be different.

This year we will be providing some extra help to the families that have been the most impacted by these hard economic times in the form of a gift card. We will notify the families that are selected the week of December 12th and they can come and pick up their gift card a few days before Winter Break.

If your family is experiencing hardship that we may not be aware of, please let our office staff know that you would like to be considered. As a way of giving back to the school community, we would encourage families receiving help from the school to choose one of many options that we have for helping the school through different volunteer opportunities.

If you are able and you would be interested in supporting some of our families this year please bring your contribution to the main office by Friday, December 9th in the form of cash or check made out to the Peninsula PTA.

Thank you so much for your participation and we wish you a wonderful holiday season.

Warmly,
The Peninsula School Community
