

Peninsula School's Weekly Update

The Peninsula Penny Wars Monday May 8th - Friday 26th

Raid those penny jars and check the couch cushions-

For the next three weeks, each class will compete to see who brings in the most pennies (other coins and bills) by weight.

Come one, come all-

All money types will be accepted and transformed in to pennies (more weight for your money).

The proceeds go to the PTA (who in turn do wonderful things for the school).

The winning class gets a special treat from the PTA.

Equity Action

In place of the Wednesday late openings, that were cancelled by the district, we have been hosting Equity Action mornings. A variety of classes are offered during this time and students have the opportunity to sign up for the classes they would like to try out.

During the last Equity Action day students in grades 2-5 had classes such as Chess, Rugby, Cooking, Hiking, Origami, and Knitting to choose from.

Kindergarteners and first graders rotated through presentation by people from different professions, such as a school police officer and a baker.

May 6th is *the last day* for

Saturday School and Caldera Creative Lab
