

The Beach PTA uses "Google Groups" to email news and updates about what's happening in our school and community.

To join the Beach School Google Group:

1. You need a free Google Account. If you use gmail or other Google services you already have a Google account! Or, sign up for a new free [Google Account here](#).
2. Sign in to your Google Account and [Request an Invitation!](#)

Once you're a member of the Beach School Google Group, you can email the group at:

beach-school@googlegroups.com

Please keep in mind that this is a communication tool for the entire Beach School Community for items of interests to our school and our community. It is a *moderated* forum which means that your post/message must be approved before the email is sent to the group and posted to the [forum board](#).

To change your email settings (individual emails, daily digest, no email) and other group settings, go to: [My Groups](#) (you can even use Google to search for My Google Groups), and select Edit memberships.
