Based on the work of the Neo-Futurists (neofuturists.org) and their long-running show *Too Much Light Makes The Baby Go Blind*, this show features a menu of microplay options from which the audience themselves select the work they'll see on any given night—a theatrical experience they'll never forget. TICKETS ON SALE NOW FOR SPRING MUSICAL, SCHOOL OF ROCK

Performing May 6-7 & 12-14
\$15 General Admission, \$10 Student/Educator
Tickets available at the door and [online](#)
Recommended for audiences 3rd-grade and older for occasional coarse language

Closing our mainstage season is the Oregon debut of *School Of Rock, The Musical*. Director Debbie Lamedman brings her clever sensibility to this stage adaptation of the iconic film. With a creative team including the minds behind *Phantom of the Opera* and *Downton Abbey* and hot on the heels of the Broadway opening, this show is sure to get you rocking out!

A brand new musical based on the Paramount film written by Mike White and starring Jack Black, the show follows Dewey Finn, a failed, wannabe rock star who decides to earn a few extra bucks by posing as a substitute teacher at a prestigious prep school. Completely disinterested in academic work, Dewey creates his own curriculum, turning his class into a guitar-shredding, bass-slapping, mind-blowing rock band. The score includes 14 new songs composed by Andrew Lloyd Webber as well as all of the original songs from the movie. School of Rock, accompanied by our own sensational live rock band led by Wilson band teacher Mr. Nick Caldwell, is a loving testimony to the transforming power of music. Join us for a guitar-thrashing good time!
