WILSON SCHOLARSHIP INITIATIVE

An exciting new program is launching to raise money for scholarships for Wilson seniors. In partnership with the Hillsdale Business Association we have planned a special event the first week of December: all week, participating businesses will offer 10% of the proceeds from the sale of gift certificates for goods and services to the Wilson Scholarship Initiative.

Why is the Wilson Scholarship Initiative so Important? Following are some facts that illustrate the need for more scholarships for our students:

- The average college graduate leaves school with \$22,500 in debt

- Oregon received an “F” on college affordability from the National Center for Public Policy & Higher Ed
- For every \$1.00 in Federal Pell Grant aid to students, Oregon spends \$.24

To make this event successful we need to rally our Wilson and feeder-school communities to purchase Hillsdale gift cards during the first week of December. Volunteers are needed to publicize, recruit businesses, plan events, etc. If you would like to be part of this important project, email [Sue Stahl](mailto:Sue.Stahl).
