- Picture re-take day is October 16th.
- Parents who created their Parent Vue (PVUE) account last year (even for middle school) will have the same User ID and password this year. If you have not set up your account, email Sara Mattheisen smatthei@pps.net to receive your activation information.

And, for that always burning question for Seniors:

(taken from page 5 of the Portland Public Schools Attendance Handbook for 2014-2015)

*NOTE: Students who are 18 may **not** excuse themselves from school or specific class periods. To excuse any student absence, the district requires notification from the parent/guardian regardless of student age. The **ONLY** exception to this rule is if a student has been legally emancipated from their parents and provides proof of such court action. In that case, schools may accept a written notification from the student.*

The Wilson Speech and Debate Team holds its first regular meeting at 3:30 pm **TODAY in room 213 upstairs at Wilson. Last year, the Speech and Debate Team took 3rd place at State and qualified a speaker to the National Tournament for the first time since 2009. We are looking ahead to great things again this year, and we want you to join us. Come learn about the great things Speech and Debate can do for you.**

The first meeting of the **Wilson Robotics Club** will be **TONIGHT** @ 6pm in Rm. 7. Any students interested in science, technology, engineering and math please come see what we are all about. We need builders, programmers, and creative problem-solvers. Bring your parents – they'll want to hear about the scholarship opportunities. [Matthew Johnson, parent advisor]

Wilson Theatre Arts and SouthWest StageWorks welcome you to our Season Kickoff this Friday, at 3:45pm in the Drama Room, 108. Bring a treat (or not) and join us to reconnect with the great people that make (SW)2 such a great group! Hear about our projects this year, including the Improv Team, our trips, the OneAct Festivals, and this fall's mainstage production, the Tony Award-winning *In The Heights!* See you then! [J. Miller, Artistic Director]

Everyone

The Life Skills program at Wilson is starting a new enterprise for students who want to build their mechanical skills: **The Green Team Bike Shop**. This will be a student-run enterprise that builds and repairs bicycles, incorporates financial and business education, and provides hands-on experience. In order to make this project work, we need donations of tools. Any bike and mechanics tools will be appreciated.

This includes most automotive tools such as wrenches, power tools such as hand-held drills, as well as bike specific tools. We would also love to have some bike shop fixtures such as a bike repair stand, wheel truing stand, and a vise. Please help us spread the word to those who may have tools to donate.

[Dominic Le Fave, *Life Skills, Intensive Skills Academic*]

*This issue of the Daily Bulletin is submitted by Sara Mattheisen. To have a notice printed in the Bulletin for the next school day, please leave your notice in the Main Office or email smatthei@pps.net by **Noon**. Items new today are in **bold**.*
