Wilson High School Baseball Earns OSAA Sportsmanship Nomination

In a recent contest, game officials noted that Wilson Baseball exhibited the great qualities that the Oregon School Activities Association looks for in teams, programs, and communities across the state. Wilson Baseball is now eligible for the OSAA Sportsmanship Award, which includes 100 OSAA Cup points for our school. This recognition program gives officials the opportunity to highlight the positive sportsmanship that they see on the field.

Attendance Matters!

On Wednesday, March 20, more than 180 Wilson students who have achieved near perfect attendance for semester one were honored by a team of counselors and administrators in their classrooms. An additional 29 students who improved their attendance by at least 10% from last year to this year will be acknowledged with a lunch-time pizza party.

In order to be successful in high school, student attendance should be at least 90%. Data shows us that grades start to suffer if students miss more than two days per month. If a student has a barrier to attending school regularly, we have counselors, specialists and administrators who are here to help each and every student meet these attendance goals. Parents, guardians, and students can contact their counselor or a school administrator for help addressing any issues and improving attendance.

Last Day of School Moved to June 11

The 2018-19 calendar includes three Snow Make-Up Days days on June 10, 11, and 12. Two of the three designated days will be used to add two days at the end of the academic year and move the last day of school to June 11 to restore instructional hours that were lost to weather in February. More info to come from PPS on a plan to restore high school hours before Graduation. Graduation dates will not change.

In addition, the district expects at some teachers to be absent on May 8 to join the Day of Action in Salem, possibly resulting in a district-wide closure for that day. If the decision is made to close school on May 8, June 12 will be the new date for the last day of school for grades PK-11, with an alternate plan for seniors. Stay tuned.

Senior Slideshow Update

From Tiffany Jeffords: “All is not lost! I am extending the deadline to get your senior slide show pictures in. There has been a lot of confusion around these pictures so let me explain. Please send in 3-4 pictures of your senior. They can be related to: baby, toddler, Halloween, family, sports, whatever you choose! They don't have to be your kids actual senior photo although you are welcome to add it. And I will allow one or two group photos of your choosing from sports, elementary school, middle school, field trips, etc. Please try to send me all of your pictures in one email. This is a lot to sort through and I don't want anyone mad at me in the end, so please try to keep them together. **New deadline is April 30th.** I'm trying my best to keep up with the emails but I am responding to everyone, so bear with me if you don't get a response right away. Thank you!! Tiffany Jeffords, wilsontrojans2019@gmail.com”
