

Do You Know Your Student ID Number?

WHY: Student ID card technology is slowly phasing out. Students will need to learn their 6-digit student ID# so they can enter it on a 10-key pad (pictured on the right) when going through the cafeteria line.

WHERE: Student ID#s can be found on district documents, like the report card and the student verification form

WHEN: Beginning 2016-17 school year

WHO: K-5, K-8 Portland Public School students

WHAT: If your student does not know his/her student ID, temporary ID cards will be generated at the start of the school year
