1 2 3 4 5 6 7 8
9 and 10

we'll count today

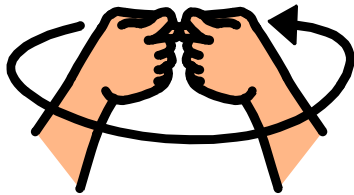

It is fun to

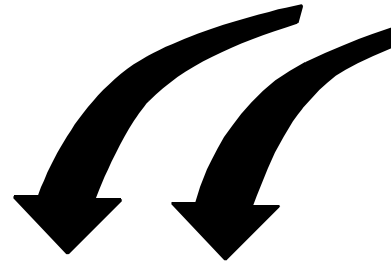

count

together

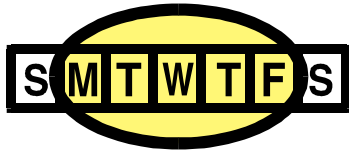

and then again

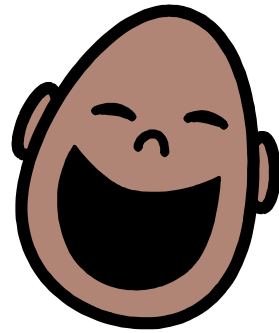

1 to 10

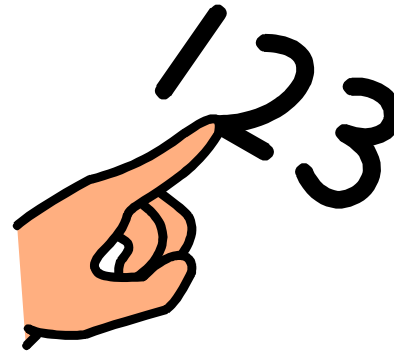

everyday

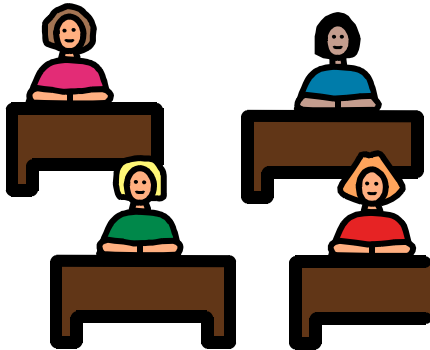

It is fun to

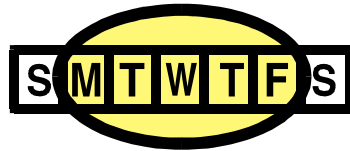

count our numbers

as a class

everyday

Count our numbers, Count our numbers, Count our numbers every day.
It is fun to count our numbers as a class every day.
1, 2, 3, 4 -- 5,6,7,8 -- 9 and 10 we'll count today. It is fun to count
together, 1 to 10 and then again.

(Sung to Oh, My Darling Clementine)
