

I want to know

where have you been?

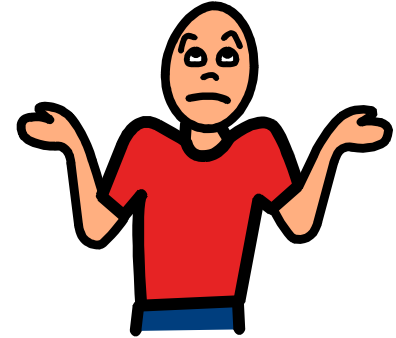

I've only seen you in  
books that you're in

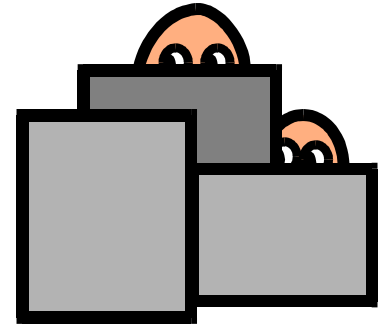

why aren't you here?

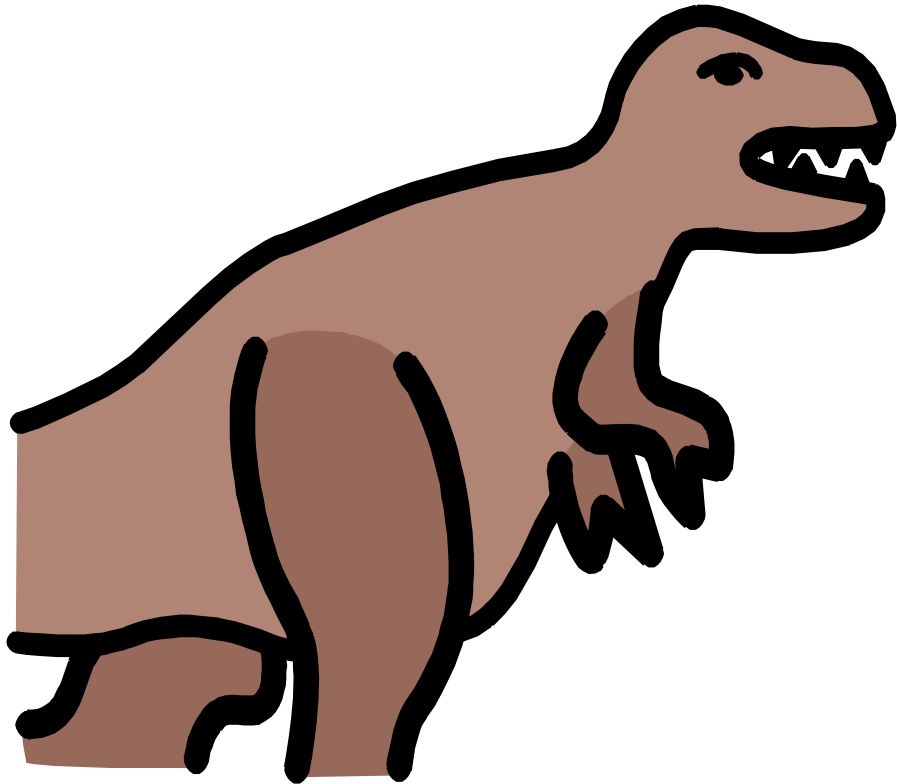

I want to know

what made you all  
disappear

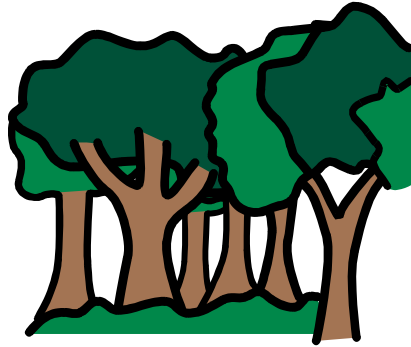

# Dinosaurs, Dinosaurs

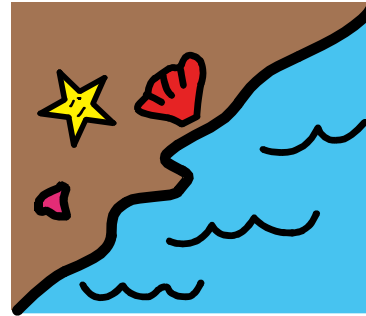

How you would roam

forests

and beaches

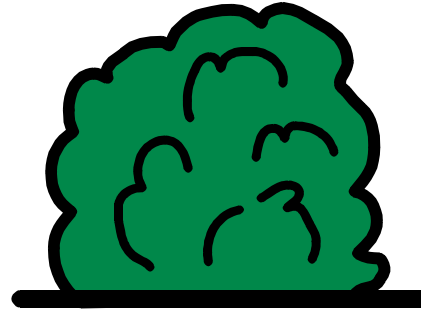

were your private home

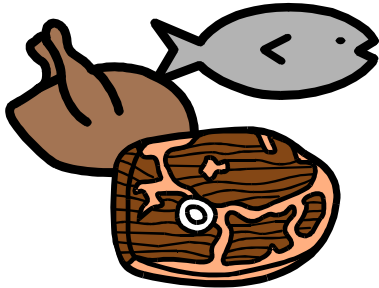

how you could eat

dining on plant life

or dining on meat

Dinosaurs, dinosaurs,  
Where have you been?  
I've only seen you  
In books that you're in.  
Dinosaurs, dinosaurs,  
Why aren't you here?  
I want to know what  
Made you all disappear!  
Dinosaurs, dinosaurs,  
How you would roam!  
Forests and beaches  
Were your private home.  
Dinosaurs, dinosaurs,  
How you could eat!  
Dining on plant life  
Or dining on meat.
