

I

take

take care of

the animals

and treat

them

one by one

1

I

give shots

I

set legs

and sometimes operate

I

take

take care of

the animals

because I

think

they are just great

I'm a vet, I'm a vet, I'm a veterinarian

song lyrics: I'm a Vet
Sung to Oh, my darling clementine

I'm a vet, I'm a vet,
I'm a Veterinarian.
I take care of the animals,
and I treat them one by one.

I give shots, I set legs,
and sometimes I operate.
I take care of the animals,
because I think they are just great

I'm a Vet
