

On top of an iceberg

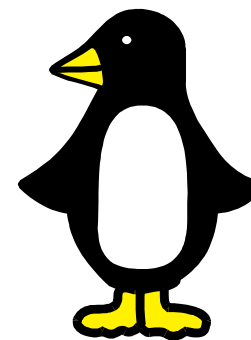

all covered with snow

I saw

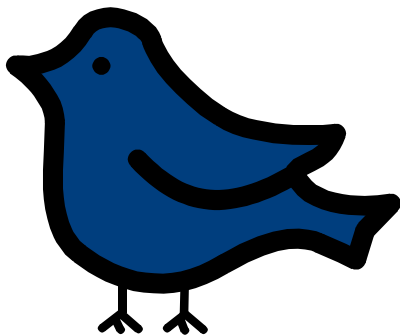

my 1st penguin

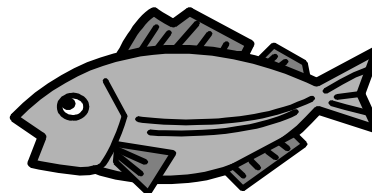

and I wanted to know

Oh, is it a bird?

or is it a fish?

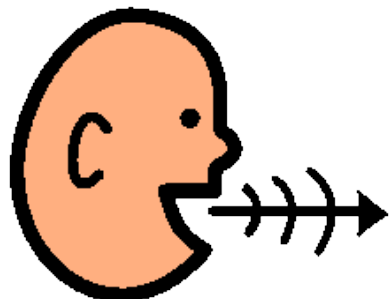

I looked at the feathers

and I knew which was which

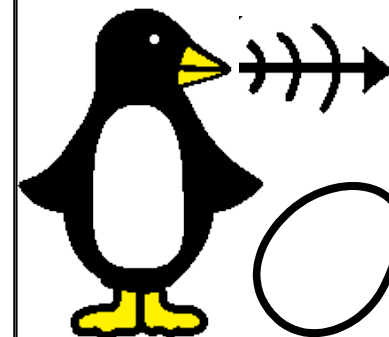

I said, "Mr. Penguin

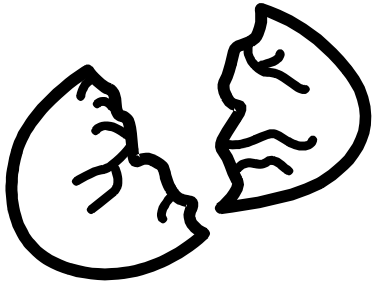

what's under your patch?"

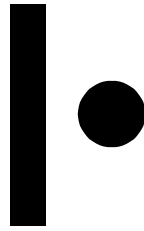

He said, "Its an egg,

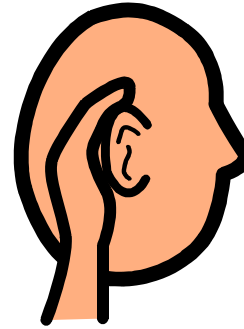

and its ready to hatch!"

The next thing I knew

I heard a small peep

and I saw a chick

at the emperor's feet

On top of an iceberg

On top of an iceberg, All covered with snow,  
I saw my first, penguin And I wanted to know.  
Oh is it a bird,  
Or is it a fish?  
I looked at his feathers,  
And knew which was which.  
I said, "Mr. Penguin,

I said, "Mr. Penguin,  
What's under you patch?"  
He said, "It's an egg,  
It's ready to hatch!"  
The next thing I knew,  
I heard a small peep.  
And I saw a chick,  
At the emperor's feet!
