

Snow is Falling

Snow is Falling

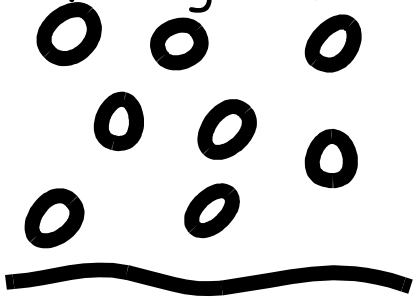

<---Song Icon

Yes Siree!

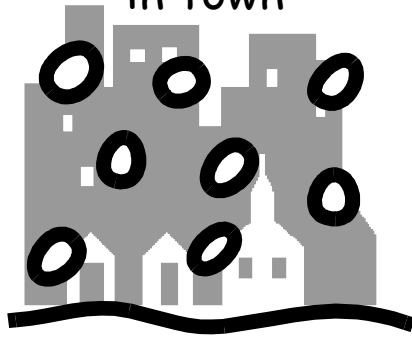

Look at the snow falling down
Covering everything in town
over th grass and cars and street
Snow is winter's special treat
snow, snow, snow, beautiful snow
snow, snow, snow, watch it grown
snow on the house top
YES SiREEE
Snow is falling just for me.

Sung to: Up on the Rooftop

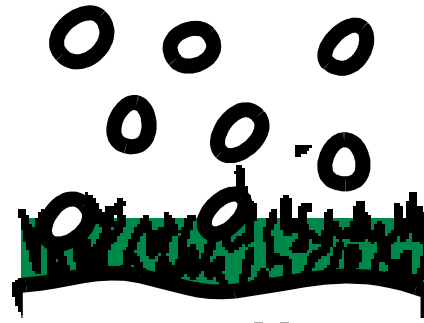

Look at the snow
falling down

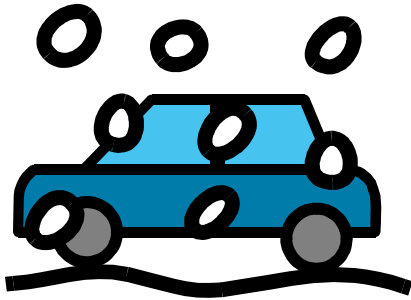

Covering everything
in town

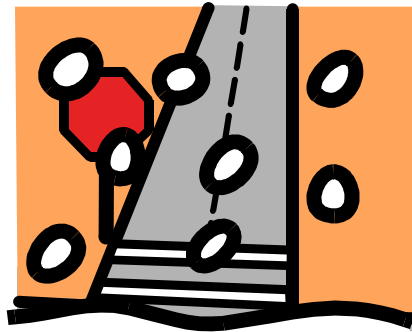

over the grass

and cars

and street

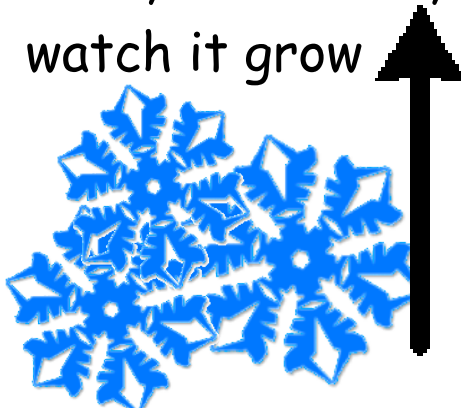

snow is winter's
special treat

snow, snow, snow,
beautiful snow

snow, snow snow,
watch it grow

snow on the house
top

Snow is falling
just for me
