

I have

10 little fingers

10 little toes

two little arms

and 1 little nose

I have ten little fingers and ten little toes, two little arms and one little nose. One little mouth and two little ears
Two little eyes for smiles and tears
One little head and two little feet
One little chin, that's ME complete!

1 little mouth

two little ears

2 little eyes

for smiles

and tears

1 little head

and 2 little feet

1 little chin

That's Me

complete!

That's me, Complete!

That's me, Complete
