The Waves at
the Beach

Lyrics:

The waves at the beach go up and down, up and down
up and down.

The waves at the beach go up and down all day long.

The crabs . . . crawl back and forth

The lobsters . . . go snap snap snap

The clams . . . go open and shut

The jellyfish . . . go wiggle waggle wiggle

The kids . . . have fun fun fun

Not the person assembling this song board:

This would be a fun song to have the activity that the animal does glued to the board and then the animal velcroed on top of it, so you can have students work on matching the animal to the activity and as you do it students can look at the animal and tell you the activity before you remove it from the board.
