% Underenrolled or overcrowded

Notes:

Oct 1 2015 data and capture rates were used for this analysis. Enrollment figures do not include PreK.

HU Race is Historically Underserved by race/ethnicity, including Black, Hispanic, Native American, and Native Hawaiian or other Pacific Islander.

% in Poverty is the number of students who qualify for free meals through direct certification by the State of Oregon. Direct Certification numbers reflect 2014-15 data.

The following elementary, K8, and middle schools have co-located focus option programs: Ainsworth, Atkinson, Beach, Beaumont, Bridger, Cesar Chavez, Hayhurst, Hosford, Kelly, King, James John, Lane, Lent, Mt. Tabor, Rigler, Roseway Heights, Scott, Sitton, West Sylvan, and Woodstock.

Average enrollment per grade using 2015-16 enrollment data is shown as under-enrolled if below 50 students per grade. The average enrollment per grade using 2020 forecast data is shown as under-enrolled if below 45 students per grade to allow flexibility for forecast enrollment and staffing formula changes.

(see page 2 for additional notes)

West Sylan	966	322.0	1008	336.0	953	317.8	1000	333.3	
East Sylan					222	24.7	222	24.7	

Note on Enrollment:

Average enrollment per grade is not shown for Hayhurst in the current state because the Odyssey program is grades K8 while the Hayhurst neighborhood program is grades K5. Program enrollment for Odyssey based on a set number of transfers rather than neighborhood populations. Current and forecast enrollment for this program based on 2015-16 program enrollment.

Enrollment at Ainsworth neighborhood program only (not including Spanish Immersion) assumes a capture rate of 64% based on larger proposed boundary. Enrollment at Chapman includes higher capture rate based on the end to the Chapman to Ainsworth voluntary transfer policy. Enrollment at Gray assumes continuation of the West Sylan to Gray voluntary transfer.

Estimated forecast 2020-21 enrollment and facility utilization for Superintendent's Recommendation are based on current K-5 school boundaries and the latest population estimates from the Population Research Center @ PSU. For a detailed description of the methodology, please visit the Enrollment Balancing Key Technical Documents <http://www.pps.net/Page/2432>. Estimated utilization is based on estimated enrollment; actual utilization will vary with boundary changes and other shifts to enrollment and student demographics. Under Superintendent's Scenario, Chapman utilization includes 4 kindergarten classrooms at Ramona Early Learning Center. Under Hayhurst Current State, enrollment and utilization includes Hayhurst K5 and Odyssey K8.

2015-16 enrollment and utilization is the approximate enrollment if the boundary change had been fully implemented for the current school year. As PPS policy and DBRAC recommendation's support allowing students to remain at their current school till the highest grade, this number is for comparative purposes, not a projection of actual enrollment for the upcoming school year.

East Sylvan*			88.5%	88.5%	East Sylvan*	0	222
Total						541	541

Note on Utilization:

Utilization based on preferred enrollment target analysis for neighborhood schools. Utilization for focus options may vary.

Chapman utilization assumes 4 Kindergarten classrooms at the Ramona site.

Future overcrowding at Capitol Hill and Maplewood will be addressed with the re-opening of Smith School, potentially by the 2019-20 school year.

Future overcrowding at Gray will be addressed by the addition of modulars and/or boundary changes associated with the re-opening of Smith School.

See note on enrollment for further information about updated forecast enrollment and utilization numbers.

Note on Reassigned In/Out:

These columns represent the number of students reassigned in or out of the *neighborhood* (not the number of students currently enrolled at the school) if fully implemented 2015-16; these numbers do not represent the number of currently enrolled students reassigned under a scenario.

For Hayhurst and East Sylvan, the number reassigned in/out includes focus option program enrollment.
