- I. The Association shall continue to be the exclusive collective bargaining representative, as provided in Section A of this Article, during the term of this Agreement unless, under applicable law, some other method of representation or some other applicable representative is elected. Should another method or representative of the professional educators be so elected during the term of this Agreement, this Agreement shall not terminate but thereafter no provision of this Agreement shall be construed to require the District to bargain with the Association and the recognition and authority of the Association as contained in this Agreement and its duty of fair representation shall terminate.

**ARTICLE 4**  
**DUES AND PAYROLL DEDUCTIONS**

A. Fair Share Agreement

1. The District shall deduct an amount established by the Association, not to exceed usual and customary dues, each pay month from the pay of each professional educator who is not an active member of the Association, beginning with the paycheck issued in the month of September. However, the Association may change the date for deductions to begin by notifying the District by June 1 of the year in which the change is to occur. The Association may not change the date again during the life of the Agreement once this option is exercised. Such an amount shall represent compensation to the Association for any purpose authorized by law for use of fair share fees.
2. Any professional educator who has not requested payroll deductions of Association dues under Section B of this Article or who has not certified to the District that s/he has paid his/her dues directly to the Association shall be subject to the provisions of this Section.

B. Dues

1. Any professional educator who is a member of the Association or who has applied for membership, may sign and deliver personally and through the Association to the Superintendent an assignment authorizing deductions of membership dues in the United Education Profession (i.e., PAT-OEA-NEA). Such authorization shall continue in effect from year to year, unless revoked in writing as hereinafter provided. Pursuant to such authorization, the District shall deduct one-twelfth of such dues from the first regular salary check of the professional educator each month for twelve (12) months, beginning September and ending August of each year. However, the Association may change the date for deductions to begin by notifying the District by June 1 of the year in which the change is to occur. The Association may not change the date again during the life of the Agreement once this option is exercised. Deductions for professional educators who join the Association after the commencement of the school year shall be appropriately prorated so that payments will be completed by the following August. In the case of professional educators who have elected to receive their annual compensation in ten (10) equal monthly payments, the dues deduction shall be made monthly of one-tenth of such dues.
2. Withdrawing the payroll deduction for such dues may be accomplished by writing a letter to the Office of the Association and to the Office of the Superintendent and delivered prior to the first day of October of any year. Letters received prior to October 1 shall be effective October 1 of the same year. Otherwise they shall be effective October of the ensuing year.
3. The Association covenants and warrants that its present Bylaws provide for and agrees to indemnify, defend and hold the District harmless for the foregoing fair share deductions and dues deductions authorizations and withdrawals procedures. In the event the District invokes this paragraph, then the Association will provide the attorney and the parties will fully cooperate in any litigation. In the event the District wishes to use its own attorney, then the District will pay the cost of said attorney. The aforementioned Bylaws make such authorizations irrevocable except as stated in Paragraph 2. In the event of any amendment to such Bylaws lessening the restrictions on withdrawal, the Association will give the Office of the Superintendent written notice thereof prior to the tenth day of any month for which such amendment permits withdrawal of authorizations. In the event of such notice, the District may permit such withdrawal on the basis of such new provisions.
4. A record, in a format accessible to the Association, of professional educators on Association dues deductions and Fair Share fees shall be sent to the Association, together with the remittance due the United Education Profession (i.e., PAT-OEA-NEA), within five (5) working

days, following the end of the calendar month in which the payroll check has been issued, including a listing of all additions and deletions to the membership list from the previous month. The Association agrees promptly to advise the Superintendent of all members of the Association in good standing from time to time, and to furnish any other information needed by the Superintendent to fulfill the provisions of this Article, and not otherwise readily available to the District. The District shall complete reasonable Association forms and submit them monthly with the remittance to the Association.

C. Other Payroll Deductions

1. Upon appropriate written request from the professional educator, the District shall deduct from the salary of the professional educator and make appropriate remittance for the following approved deductions within five (5) working days following the end of the calendar month in which the payroll check has been issued:

- Fixed or Variable Tax Deferred Annuity Plans
- School District No. 1 Health & Welfare Trust Premiums
- Credit Union
- Approved Charitable Organizations
- NFIE

The National Foundation for Improvement of Education is a part of this list and will not be removed except by mutual consent. In addition, the District shall perform the same service for Association members for any insurance plans offered exclusively by the Association for Association members, within the mechanical limits of the District's payroll system.

2. The District, upon appropriate authorization of the professional educator, shall deduct from the salary of the professional educator and make proper remittance for any other plans or programs jointly approved by the Association and the Board.

D. Professional educators' payroll checks shall itemize all sources of pay, payroll deductions, accumulated sick leave and retirement contributions.

With respect to the calendar ultimately adopted, the District retains the right and authority to change the days on which school shall be held and make other adjustments to the school calendar; provided such adjustments are consistent with this article. Such applicant shall be considered as an external candidate when compared to other internal candidates.

#### D. Filling of Vacancies

1. The following shall apply to the filling of vacancies which occur near the beginning of the school year:
  - a. Current professional educators or newly hired professional educators shall be used to fill permanent positions that are vacant or new (except positions of professional educators who are on leave) on or before the first workday.
  - b. Substitute teachers may be hired to fill all vacancies that occur after the first day of the school year prior to October 15.
  - c. After October 15, all such positions that are to continue for the remainder of the school year shall be filled by:
    - (1) transferring a current professional educators, or
    - (2) hiring the incumbent substitute as a temporary professional educator retroactive to his/her first day in the assignment, or
    - (3) hiring a new temporary professional educator.
2. Vacancies due to long-term absences of the incumbent professional educator shall be filled as follows:
  - a. Those of sixty (60) days or less will be filled by substitute teachers.
  - b. Those of more than sixty (60) days will be filled as follows:
    - (1) If the length of the absence is not known at its beginning, the substitute shall become a temporary professional educator if retained beyond sixty (60) days. In such assignments, the temporary professional educator may be released at a normal break in the school year to allow for continuity of instruction as the regular professional educator prepares to return to the assignment.
    - (2) If a specific ending date beyond sixty (60) days is known at the beginning of the leave, a temporary professional educator shall be hired on the first day.
3. If qualifications are found to be equal, unit members requesting voluntary transfers shall be chosen over outside applicants.

#### E. Professional Educator Initiated Transfer

1. Professional Educator initiated transfers are those in which a professional educator requests a transfer from one assignment to another.
2. A professional educator may initiate a transfer by making application for a posted vacancy. A professional educator who files a transfer request for a posted position shall be subject to assignment in the position unless the professional educator notifies the supervisor by the end of the second day following the interview that the professional educator is no longer interested in the assignment.
3. A professional educator who accepts a transfer is not eligible to apply for a subsequent transfer in the same year unless said professional educator was initially involuntarily unassigned prior to applying for the initial transfer.
4. Voluntary Unassignment with Rights

A professional educator who has served in a building assignment for five (5) or more years may volunteer to be placed on the unassigned list along with other professional educators who are unassigned pursuant to 15.F.1 of this Article. Such volunteers shall be considered for voluntary administrative transfer. If no mutually agreeable voluntary administrative transfer occurs, they shall be continued in their present position.

5. A professional educator making a timely transfer request shall be promptly notified when s/he is no longer under consideration. Professional educators with five (5) or more years of service with the District shall be interviewed except that in no case will a supervisor having three (3) or more vacancies be required to interview more than three (3) applicants for each vacancy. A supervisor with fewer than three (3) vacancies will not be required to interview more than five (5) applicants for each vacancy.
6. A part-time assignment which is identified as full-time for the subsequent school year may be filled by the incumbent professional educator after the internal transfer process if mutually agreed by the professional educator and the District, without posting as long as unassigned professional educators who are properly licensed for such assignment have positions.
7. Professional educators on a Program of Assistance for Improvement which will continue into the subsequent school year may request a transfer to a posted vacancy. Professional educators on a Program of Assistance for Improvement shall not normally be approved for transfers. However, there may be occasions when a transfer into a more suitable assignment makes sense. If a transfer is approved, the Program of Assistance for Improvement shall continue in force, and the professional educator will not cite any additional work or adjustment required by the transfer as reason why expectations of the program cannot be accomplished according to the program timelines.
8. Two professional educators may trade assignments by transferring when approved by the responsible administrators and the Human Resources Department.

#### F. Administration Initiated Transfers

1. When the administration is of the opinion that a professional educator should be transferred the situation shall be discussed with the professional educator. All reasonably practicable efforts will be made to effect a suitable re-assignment fairly and objectively, including consideration of the professional educator's preference. A professional educator will be notified of the new assignment through consultation as soon as possible but at least seven (7) calendar days prior to the transfer date. Except in the annual staffing process in F2, an administrative transfer shall not result in a professional educator being "unassigned".

- a. A professional educator who is administratively transferred to a different worksite and assignment or to a different grade level at the elementary level during the summer break, exclusive of the traditional spring round of transfers, shall be provided two (2) planning days to prepare for the new assignment.
  - b. A professional educator who is administratively transferred to a different worksite and assignment or to a different grade level at the elementary level after the work year has begun, exclusive of the traditional spring round of transfers, shall be provided two (2) planning days to prepare for the new assignment.
  - c. A professional educator who is assigned to a different subject area at the middle or high school level after the work year has begun, shall be provided two (2) planning days to prepare for the new assignment.
  - d. A professional educator who is relocated to a different room within a building after the work year has begun shall be provided one (1) planning day to prepare for the new assignment.
  - e. Such additional planning days shall be provided each time a professional educator is administratively transferred or relocated as described above.
  - f. Professional educators other than teachers shall discuss with their supervisor the revision of their schedule of activities to provide equivalent amounts of preparation time to that specified above. Professional educators on special assignment are considered as administrative transfers and not subject to other provisions of this Section.
  - g. Professional educators who are granted planning days to prepare for new assignments as described above shall have the option of receiving substitute time during the work year, or being paid at the professional educator's per diem rate of pay to complete the work outside of the work year or work day.
2. In the event that a tax base or levy failure, declining enrollment, program change, or change in funding results in reduction of staff in a building or program area, transfer of staff will be based on educational criteria as described below with respect to the program requirements as determined by the District. Volunteers will first be requested and considered from among the appropriately licensed professional educators. Such volunteers shall be selected for transfer if they are from within the grade level(s) or subject matter area(s) where the positions are to be eliminated provided the volunteer(s) are not on a Program of Assistance for Improvement. In the absence of volunteers, the professional educator having the least seniority in the District shall generally be transferred. Exceptions to seniority may be made by the responsible administrator based only upon any of the following educational criteria: with the understanding that reference to a professional educator in (a), (b), (c), (d), (e) and (f) refers to within a given job classification, such as Teacher, Social Worker, School Psychologist, Student Services Specialist, Child Development Specialist, and Audiologist:
- a. The professional educator(s) being retained has/have unique licensure for a specific existing assignment being considered; or
  - b. Gender balance: Transfer of a professional educator would decrease the building's percentage of under-represented male or female professional educator to less than thirty percent (30%) (or primary/intermediate/upper grades percentage in an elementary building).
  - c. Racial balance: If transfer of a professional educator would decrease the building's percentage of minority teachers to less than the student minority percentage in the building or below the percentage of minority professional educators in the District.

- d. That professional educator being retained has bilingual (or multilingual) ability relevant to the assignment.
  - e. The professional educator(s) being retained has an extended responsibility assignment as defined in Appendix B which is an extension of a classroom subject taught (e.g., drama, forensics, music, yearbook, newspaper) or is a department chairperson, head teacher or unit leader.
  - f. Up to five (5) (with no more than three (3) in athletics) professional educator(s) at the high school level being retained has an extended responsibility assignment as defined in Appendix B. Such designation shall be done at each high school prior to the time of the initial posting for the next school year. A subsequent designation may be made in the event a professional educator transfers by applying for a posted position or resigns, but in no event will the number exceed that specified in each classification in this paragraph. The positions so designated must be only at the highest level of a given extended responsibility category and are those typically found at District high schools. "Highest level" is defined as the following extended responsibility positions:
    - Athletic Director
    - Head Coach
    - Activities Director
    - College and Financial Aid Coordinator
    - Varsity Cheer
    - Testing
    - TAG
3. It is understood for purposes of Article 15, Section F that Child Development Specialists, School Psychologists, Student Services Specialists, Social Workers, and Audiologists are to be treated as individual classifications rather than as a part of the building teaching staff.
  4. The District shall post vacancies for the internal transfer process no later than May 1 of each school year. Any contract or third-year probationary professional educator may apply for a posted position in the internal transfer process. First year and second year probationary professional educators who are unassigned may also apply for a posted position in the internal transfer process. External applicants and temporary professional educators (except as provided in C6) may not apply for positions in the internal transfer process.
  5. A professional educator who remains unassigned after the internal transfer process shall be transferred into a remaining vacant position for which the professional educator is both licensed and competent prior to the consideration of applicants from outside of the District.
  6. Following the internal transfer process), any professional educator may apply for any posted vacancy except a professional educator who has accepted a voluntary transfer under the provisions of 15.E.2 – 15.E.3. Following the internal transfer process a vacancy may also be posted externally unless there is an unassigned professional educator who is properly licensed and competent for such position.
  7. If a professional educator has been administratively transferred under the provisions of 15.F.2 and a position for which the professional educator is qualified at his or her original school or program becomes available, the professional educator may be returned to that school under the provisions of 15.F.2 If such a position occurs while the professional educator is unassigned, the professional educator shall be returned to that school or program.

8. In the event of a merger of classes or programs from two (2) or more schools, the follow-the-student concept shall prevail. A merger causes a school to be comprised of at least forty percent (40%) of its students from the original school if two (2) schools are involved or thirty-three percent (33%) if three (3) schools are involved. In this case, professional educators from merged schools or programs will be compared equally using the criteria described in F.1 above in filling all the positions in the school.
9. When classes or programs from two (2) or more schools are combined in one school, professional educators who have their program or school closed shall be placed in the school where their program or class is transferred provided there are sufficient positions available. If there are insufficient positions, the criteria of F.1 shall apply.
10. On occasion, the District may consider the transfer of a professional educator for reasons other than those set forth in paragraph 15.F.2 above. The following procedures shall apply when the reason for transfer is due irresolvable differences between the professional educator and the supervisor:
  - a. The supervisor shall hold a conference with the professional educator for the purpose of discussing all the reasons for the perceived need for the transfer. This conference shall be for the purpose of information-sharing and problem-solving and shall not be used as a litigation preparation meeting. The professional educator may respond by making suggestions for addressing the concerns if the professional educator opposes a transfer. If a professional educator objects to the transfer, the professional educator and the supervisor will discuss options to resolve the issue including possible alternative placements.
  - b. The Chief Human Resources Officer shall get involved if it appears the transfer may not be agreed to or if there is need for his/her help in finding a placement. At a minimum, if the issue is not resolved between the supervisor and the professional educator, the professional educator is entitled to a meeting with the Chief Human Resources Officer.
  - c. If after these discussions the District continues to feel that an involuntary transfer is necessary, and the professional educator continues to refuse, a neutral third party professional, mutually acceptable by the District and Association, will be contracted by the District to meet with the parties with the goal of resolving the conflict, if possible. The neutral professional will assess whether or not the situation is correctable. The assessment shall not be placed in the personnel file of the professional educator, shall not be used for any personnel decision other than the administrative decision, and will be treated confidentially. If the assessment is that the situation is not correctable with reasonable certainty in a reasonable period of time, the transfer proceeds. If the assessment is that the situation is correctable, the neutral professional will provide a statement of how the supervisor and the professional educator can make correction. With cooperation of the professional educator, the supervisor will make a good faith effort to work out the problem including following the plan provided by the neutral professional. The District shall pay the expense of the neutral professional for up to six (6) hours. If the District and the Association mutually determine it would be necessary, additional hours will be made available.
  - d. By agreeing to participate in this counseling process, the unit member also agrees not to contest the decision through the use of the grievance process.
  - e. In other types of involuntary administrative transfers under paragraph 15.F.1 a unit member can appeal an administrative transfer to review by the Chief Human Resources Officer who would have to approve the transfer before it can occur.

11. No professional educator shall be transferred for reasons that are arbitrary or capricious. An illustration of an arbitrary and capricious transfer would be one based on union activity. An illustration of an involuntary transfer decision which would not be arbitrary and capricious is a transfer due to a long-standing irresolvable conflict between a professional educator and supervisor. The involuntary transfer could not occur for any reason that would violate any provision(s) of this Agreement.

G. Professional educators are entitled to have an Association representative present during any meeting with an administrator concerning this process. The professional educator shall be given twenty-four (24) hours advance notice of any such meeting.

H. If a decision to transfer a professional educator is reversed by an arbitrator, the professional educator shall be reinstated to the building no later than the beginning of the next semester after the arbitration decision.

I. Job Sharing/Part-Time Work

Two (2) professional educators in the District, if both are full-time, can request consideration to transfer to an assignment on a job-sharing basis. Establishing or discontinuing job-sharing assignments shall be at the discretion of the building administrator or supervisor. A job-sharing assignment, if established, will continue for that school year unless one of the professional educators resigns. If one professional educator in a job-sharing assignment resigns from the District or transfers, the remaining professional educator shall have the right to be considered for assignment to the position on a full-time basis.

**ARTICLE 16**  
**REDUCTION IN STAFF/LAYOFF**

**A. Notification of Reduction in Force/Layoff**

1. In the event a layoff of professional educators is required during the course of the school year, the District shall notify the Association and the affected professional educators sixty (60) calendar days prior to the effective layoff date. If the layoff is to become effective the subsequent year, the District shall notify the Association as soon as the layoff decision is made.
2. Along with the notification, the District shall provide the Association with all relevant data, including but not limited to a seniority listing of professional educators in the areas of licensure or classification in which the layoff is required. The District shall schedule at least one (1) meeting annually with the Association to review the staffing process.
3. The District shall first determine the program(s) or area(s) scheduled for reduction or elimination.
  - a. The District shall provide an announcement to professional educators in those areas in which the layoff must occur, offering the opportunity for professional educators who would not otherwise be laid off, to voluntarily apply for one (1) year unpaid leaves of absence. A professional educator who volunteers for such leave and has ten (10) years of service with the District shall continue to receive District paid medical/dental benefits for up to one (1) year. Upon written request, such leave may be extended for an additional year providing the layoff condition remains in effect. Such professional educators shall have the same rights to return to the District as professional educators returning from leaves of absence.
  - b. The provisions of ORS 342.934(2) (a) and (b) relating to transferring professional educators and combining positions to avoid layoff shall apply.
4. **Technology**  
If during the term of this Agreement bargaining unit positions are to be eliminated due to technology, the District will first notify the Association of such possibility and allow opportunity for discussions of other options which may be available, including retraining.

**B. Lay-off**

1. Professional educators shall be laid off according to length of continuous service with the District provided that those professional educators who are retained are both competent or will qualify as competent, and hold necessary licensure from TSPC or necessary certification or licensure under other professional disciplines. Length of service (seniority) shall be based on the first day of actual service with the District. Leaves shall not be considered as interruptions of continuous service. If two or more professional educators have the same first date of actual service, seniority shall be determined by predetermined lot (done prior to the effective notice of layoff). Professional educators of less than half-time shall not be used to supplant professional educators who are half-time or more.
2. Competence shall be defined as the ability to teach a subject or grade level based on recent teaching experience related to that subject (as further defined by Appendix D) or grade level within the last five years, or educational obtainments, or both, but not based solely on being licensed to teach. The District shall consider a professional educator's willingness to undergo additional training or pursue additional education in deciding upon questions of competence. For purposes of the articles on layoff and transfer, "subject" shall be defined in accordance with Article 15: Transfers, Section A, including any sub-categories included in the chart.

Grade level shall mean the grade levels PK-8 or 6-12. For the purpose of the articles on layoff and transfer, Behavior Management Specialists, Student Services Specialists, Child Development Specialists, Social Workers, School Psychologists, Audiologists, Special Education, English as a Second Language, and Bilingual Programs shall be considered as "subjects." For the purpose of the articles on layoff on transfer, a Bilingual Program is defined as a program where 50% or more of student instruction is in a language other than English.

3. Professional educators who do not have recent experience in the subject or grade level where they seek to be retained may nevertheless qualify as competent if they have completed recent (within the most recent five years) training that is agreed upon by both the District and the professional educator as adequate preparation for the assignment or are willing to complete training applicable to that subject or grade level.
4. If the professional educator asserts a right to be retained in a position(s) where he/she has not had recent training or experience as defined above, the District and professional educator shall review the professional educator's training and experience to that date and determine the course of training to be completed. The District shall reimburse the professional educator for tuition according to Article 17C2 for any credit hours required by the District in this retraining plan. Professional educators may use their twelve (12) hours of tuition reimbursement for a two-year period without limit in any one year for coursework required by the retraining plan. If the District and professional educator mutually agree, mentoring or other educational opportunities may be substituted for all or part of the college or District in-service credit required. The District shall provide final notification of the training or additional education requirements to be required and the timeline required, and the professional educator shall either accept the training as a condition of accepting the position or shall decline and thus be laid off.
5. Following the implementation of a layoff, the District may administratively transfer professional educators in accordance with Article 15 who remain as necessary to meet staffing needs.
6. If a professional member is to be/is fully or partially laid off and a portion of an assignment becomes available for which the professional educator is licensed and competent, the District shall assign the FTE to the professional educator or offer to recall the professional educator to that portion of the assignment. Professional educators who are partially laid off (have reduced FTE) shall have recall right to the portion of their position that was reduced. However, the District may reduce and/or increase FTE between .5 and .66, .67 and .74, and/or .75 and .99 without this resulting in a layoff.
7. No bargaining unit position in the District shall be considered "vacant" for purposes of ORS 342.845(5) if filling the position with a non-extended administrator would cause another professional educator to be laid off, or if there is a professional educator on the recall list who would otherwise be entitled to be recalled to that position.

#### C. Layoff Benefits

1. The District shall provide medical benefits to professional educators who are laid off for a period of three (3) months following the month in which their coverage would otherwise end. The laid off professional educator may then continue medical benefits at his/her own expense in accordance with the provisions established by the Health and Welfare Trust.
2. Professional educators covered by this Article shall be given consideration for work as a substitute. Such work shall not affect the professional educators' recall rights.

#### D. Recall

1. Professional educators who are laid off shall have the responsibility when asked originally to notify the District of their interest in and willingness to be recalled. They must reaffirm such interest by notification to the District's Human Resources Department, in writing, if asked, on or before April 1 of every year for three (3) years following their effective date of layoff.
2. Professional educators who are laid off shall be recalled to positions for which they are licensed and have competence or will qualify as competent (as defined in Section B above) to fill when a vacancy occurs, in the order of most senior first.
3. A professional educator who has been laid off may refuse one (1) job offer without loss of recall rights.
4. Professional educators who are recalled for an FTE amount less than their FTE amount at the time of layoff may decline the position and remain on the recall list until another position becomes available that is comparable in FTE to the position at the time of layoff. A member on lay-off who accepts a lower FTE job offer, shall remain on the recall list for their original FTE position.
5. The District's obligation to recall a professional educator shall terminate following three (3) years of layoff status or upon two (2) refusals by a professional educator to accept a position offered by the District or if the professional educator resigns.
6. If a professional educator is recalled, the professional educator must indicate his or her acceptance within five (5) days following receipt of the notice of recall. The professional educator must report for work within thirty (30) days within up to sixty (60) days if the employer does not release such professional educator or sixty (60) days if employed by another district, following receipt of such notice or be considered to have refused the position. In doing so, the professional educator shall relinquish any and all rights under this Agreement and shall be deemed as having resigned his/her employment with the District.
7. A professional educator who is recalled and returns to work shall return with the same probationary or contract status, placement on the salary schedule and all other seniority-related and accrued benefits held prior to being laid off.

**ARTICLE 17**  
**MENTOR PROGRAM / PROFESSIONAL GROWTH**

A. Professional Educator Mentor Program

1. The District intends to maintain a mentor program for the purpose of providing support and assistance to new and/or inexperienced professional educators.
2. Depending on the needs of the District and the mentor program, mentors may be assigned on either a full-release or an extended responsibility basis.
  - a. Full-release mentors shall be compensated according to placement on the salary schedule plus one thousand five hundred dollars (\$1500) per school year.
  - b. Extended responsibility mentors shall be compensated according to placement on the salary schedule, plus they shall receive extended responsibility pay per school year in accordance with Appendix B.
3. The mentor program shall operate within the following parameters:
  - a. A professional educator must have contract status and four (4) or more years of experience in the District in order to be eligible to be a mentor. No professional educator shall be designated as a mentor without his/her consent.
  - b. Mentors shall not participate in the evaluation of beginning professional educators (mentees). Observations made and data collected by the mentor shall be used solely for the purpose of providing assistance to the mentee and shall not be used in the evaluation of the mentee. Supervisors/evaluators and mentors shall not discuss individual mentee concerns/areas for improvement without the prior approval of the mentee. Written or other reports of a mentor regarding a mentee may not be used in the mentee's evaluation.
  - c. The mentor program shall not be used as part of a Program of Assistance for Improvement for any professional educator.
  - d. Collaborative Assessment Logs (CAL) shall not be shared with supervisors or used in the evaluation of the mentee. Self-assessment instruments shall not be used to evaluate mentors or mentees.
  - e. Mentees shall not be required to develop additional professional goals beyond what is required in the PPS Handbook for Professional Growth and Evaluation.
  - f. Any professional educator released from regular duties to participate in activities related to the mentor program shall be released without loss of pay and shall not be charged leave. Mentors and mentees who are asked and volunteer to work up to five (5) days outside the standard school year shall be compensated at their per diem rate of pay.
  - g. The ratio of mentors to mentees in the full-release model shall be no more than 1 to 15. Any change to the ratio shall be by mutual agreement between the District and the Association. The extended responsibility mentor model operates on a one-to-one basis.
  - h. The Association shall partner with the District in the selection of mentors. The Mentor Selection Rubric shall not be used to evaluate a professional educator. Videos of mentors' coaching practices shall not be used in the evaluation of mentors.
  - i. Reconsideration of assignments shall not result in a reduction of FTE assigned to any mentor.

4. The mentor program may be expanded or discontinued at the discretion of the District.
5. The Memorandum of Understanding (MOU) concerning the Mentor Program dated 08/14/13 shall remain in effect until June 30, 2014.

B. Salary Increments

1. Plus hours beyond degree salary increments (e.g., initial placement on a column of the salary schedule at the time of employment) must be based on coursework at accredited colleges or universities.
2. At such time that the State of Oregon requires completion of a "5th year" program for licensure, new professional educators shall be given credit for the hours required following the Bachelor's degree for completion of a "5th year" program up to a maximum of forty-five (45) quarter hours. Currently employed professional educators, who have completed a "5th year" program but were not given credit at the time of employment, shall be given credit on the salary schedule up to the BA+45 column.
3. Vocational professional educators may receive credit for technical coursework taken at a community college. Such courses shall be relevant to the professional educator's field of preparation and to service as a professional educator in this District.
4. In order to receive a salary adjustment retroactive to the beginning of the current school year, a professional educator must, by October 31st, provide the Human Resources Department with proof of completion of coursework. Adjustments based upon proof received after October 31st will be made effective the second month following the month received.

C. The Guidelines for Professional Growth/In-service shall be revised by the District and the Association and distributed to professional educators.

1. Continuing Education Obligations

It is recognized that there may be in-service offerings that professional educators are requested by the District to attend outside the normal professional work day described in Article 5: Work Year/Workday/Workload. In such cases, professional educators who agree to attend shall be paid at the professional educator's regular hourly rate under the salary schedule.

2. Tuition Reimbursement

- a. The District shall pay the full cost of tuition and other reasonable coursework expenses (e.g., laboratory fees, books, and the like) incurred in connection with any specific courses, workshops, seminars, conferences, in-service training sessions, or other such sessions in which attendance is specifically requested or required by the District. This section applies to coursework and other expenses (including testing and other licensure fees) related to adding highly qualified (HQ) status and other licensures requested by the District.
- b. The District shall reimburse professional educators for tuition cost for up to six (6) non-cumulative hours in a 12-month period for which graduate credit is granted by a college or university. Reimbursement shall be for the cost of tuition or the tuition rate for graduate courses at Portland State University, whichever is less. Coursework must be toward an advanced degree, TSPC licensure, professional education courses, or related to the professional educator's assignment. Evidence of a passing grade is required. Reimbursement shall not be made for books, lab fees, I.D. cards, gym fees, food,

housing, transportation, supplies or other tuition expenses. Professional educators shall be reimbursed within sixty (60) days of submitting proof of satisfactory completion of the course. A professional educator must remain employed with the District for at least one (1) semester following reimbursement.

3. National Board Teacher Examination

Reimbursement shall also be made for the fee charged a professional educator who takes and passes the National Board Teacher Examination to obtain a specialty area endorsement. This amount shall be within the tuition cost as stated in paragraph 2.b above.

4. State-Approved Professional Exams

A professional educator may access his/her professional growth funds for requests for High Objective State Standards of Evaluation (HOUSSE) assessments or for State Approved Core Academic exams such as the Praxis or Oregon Educator Licensure Assessment (ORELA:NES). Professional educators shall be reimbursed following sixty (60) days of submitting documentation of a passing score or a copy of the HOUSSE request submitted to TSPC.

E. The District shall pay, either through reimbursement to the professional educator or direct payment to the appropriate agencies, for the cost of fingerprinting for licensure/certification renewal.

F. Because Speech and Language Pathologists participate in Medicaid billing for services, the District shall pay for licensure costs/fees for Speech and Language Pathologists to obtain or renew licensure from Board of Examiners for Speech-Language Pathology and Audiology.

G. Student Teachers/Interns

Upon mutual agreement between the professional educator and the District, student teachers, interns or observers may be placed with the professional educator. The District will request that the college or university advise the professional educators of the type and amount of honorarium to be paid at the time the professional educators are asked to be a supervising teacher/educational professional.

**ARTICLE 18**  
**PROFESSIONAL IMPROVEMENT**

A. The District and the Association support the principle of continuing training for professional educators, participation by professional educators in professional organizations in the areas of their specializations, and leaves for work on advanced degrees or special studies, foreign travel and participation in community education projects.

B. Professional Improvement Fund

The District agrees to annually budget a fund to pay the expenses of professional educators who work half-time (.5) or more to attend professional conferences.

C. A conference to be attended may be selected by the professional educator. Approval shall not be denied provided the conference has a legitimate pedagogical purpose. Transportation, meals, lodging, and registration shall be deemed appropriate expenses. Meals shall be reimbursed at the IRS rate, which shall be adjusted annually. A professional educator attending such conferences and meetings shall be granted sufficient leave time to attend without loss of compensation. The approval shall designate what portion, if any, of such leave time shall be charged against professional leave. Professional educators shall, upon request, submit a written report regarding such conferences. Professional educators are eligible for advances on professional improvement funds when necessary documentation is presented. If an advance is not requested, professional educators shall be reimbursed within thirty (30) days of submitting complete and accurate documentation of expenses.

D. A professional educator may access her/his professional improvement funds for requests for High Objective State Standards of Evaluation (HOUSSE) assessments or for State Approved Core Academic exams such as the Praxis or Oregon Educator Licensure Assessment (ORELA). Professional educators shall be reimbursed following sixty (60) days of submitting documentation of a passing score or a copy of the HOUSSE request submitted to TSPC.

E. The cost of substitutes made necessary by attendance at conferences for which expenses are paid from the fund shall be borne by the District and shall not be charged against the fund.

F. The Guidelines for use of the Professional Improvement Fund shall be revised by the District and the Association and distributed to professional educators. Under this Agreement, the following guidelines shall be implemented:

1. Funds shall be allocated based upon seniority of the professional educators who make application. A professional educator who receives funds shall rotate to the bottom of the eligibility list and shall not again receive funds until other applicants have done so, except that a Professional Improvement Fund grant of less than One Hundred Dollars Fifty (\$150) will not cause a professional educator to be placed at the bottom of the eligibility list.

2. One Thousand Five Hundred Dollars (\$1500) shall be available to professional educators only once every three years.

3. Applications must be processed within one (1) week of being submitted by the professional educator.

4. These funds shall not be available to temporary professional educators.

**ARTICLE 19**  
**PROFESSIONAL EDUCATOR RIGHTS AND JUST CAUSE**

- A. No professional educator shall be disciplined, reprimanded, or reduced in compensation without just cause. Reprimands shall be made privately and not in the presence of students, parents, professional educators or members of the community. Professional educators who have completed three (3) full years of service and are not covered by the Fair Dismissal law shall not be dismissed without just cause.
- B. The District shall comply with Oregon law that prohibits the use of polygraph examinations for employment purposes (ORS 659A.300); and prohibits an employer from requiring an employee to provide access to the employee's personal social media account (HB 2654 effective January 1, 2014).
- C. This Article does not apply to dismissal, except as provided in Section E below, or nonrenewal of professional educators. However, professional educators subjected to nonrenewal or dismissal shall be afforded the procedural rights of due process.
- D. Removal from an Extended Responsibility Assignment
  - 1. If a professional educator is removed from an extended responsibility assignment, upon request s/he shall be given the reasons in writing and afforded the opportunity to have a representative present in any discussion with the supervisor.
  - 2. If a professional educator starts an extended responsibility assignment during a school year, and the professional educator is removed from the responsibility during the school year, the professional educator shall be paid the entire salary due for that assignment, unless the professional educator is physically unable to perform the extended responsibility assignment.
  - 3. Dismissal of a professional educator whose assignment includes extended responsibility as an extension of the assignment (e.g., TOSA, media specialist, music teacher) is subject to Section E below.
- E. In the event of dismissal from employment, a professional educator may elect to appeal the dismissal to binding arbitration in accordance with Article 26E of this Agreement or the Fair Dismissal Appeals Board, but not both. The professional educator must so notify the Superintendent, in writing, within ten (10) calendar days after receipt of notice of the dismissal decision of the District's School Board.
- F. Whenever a professional educator is directed to meet with an administrator or other representative of the District regarding a matter which could result in disciplinary action, termination, nonrenewal or layoff, the professional educator shall be given prior written notice of the reasons for such meeting and the right to have a representative of the Association or legal counsel present to advise the professional educator during the meeting. The parties shall cooperate in good faith to schedule the meeting within a reasonable period of time. This section does not apply to a meeting where the sole reason for the meeting is to discuss re-assignment.
- G. A professional educator has the right to administrative support at any meeting with a parent. Professional educators shall not be required to meet with a parent without a workday's advance notice. If during any meeting with a parent and administrator it appears to the professional educator that complaints are being made that could result in the discipline of the professional educator, that professional educator has the right to ask for representation before continuing the meeting. A professional educator has the right to ask the supervisor to take administrative charge of the meeting when such a meeting is dealing with the job performance of or a possible action against

the professional educator. Tape recorders shall not be allowed without the consent of the professional educator.

The professional educator shall be counseled as to the concern that has prompted the referral. The professional educator shall provide the District a statement from his/her personal physician that confirms that the District's concern is being addressed and that the professional educator is able to perform assigned duties or is unable to continue at the present time. The professional educator shall not be required to release her/his private medical records.
2. If the professional educator does not have a physician, or a substantive reason exists, the District may direct the professional educator to be examined by the District's physician. The District shall provide the professional educator with the reasons prior to being examined by the District's physician. The District shall pay for any such examinations and also provide the necessary release time. The District shall request that the physician only disclose medical information specific to the reason that prompted the referral.

I. A professional educator shall not be required by the District to involuntarily submit to testing of bodily fluids unless there is a substantive reason to believe the health and safety of others is at risk.

J. Any suspension of a professional educator pending charges shall be with pay. The District shall describe in writing the reason the professional educator is suspended or placed on administrative leave. If a professional educator is suspended or placed on administrative leave pending an investigation, such investigation shall be conducted promptly in order to limit the time that the professional educator is involuntarily away from work. If the suspension/administrative leave pending investigation lasts longer than ten (10) work days, the District shall notify the professional educator in writing of the reasons.

#### K. Exceptional Medical/Health Care Needs

Professional Educators routinely have assigned to their regular classrooms students with special needs. Some of these students have exceptional medical/health care needs that are of a nature requiring the use of technical procedures, medical hardware, or supplies in personal health maintenance cycles. Professional educators shall not be required to have back-up training or responsibilities for the medical procedure. (This does not eliminate the option of professional educators assisting in emergencies or in volunteering to participate in training and practices for which they feel some comfort.)

#### L. Lost Keys

Professional educators shall not be required to reimburse the District for lost keys. Professional educators shall not be responsible for re-keying District facilities. Professional educators shall be responsible for safeguarding keys in accordance with District regulations.

M. The personal life of a professional educator is not an appropriate concern of the District, except where it relevantly affects the professional educator's fitness for or performance of his/her professional duties.

#### N. Standardized Testing

Student performance on standardized tests is not designed or intended to and shall not serve as the basis for involuntary transfer, layoff, recall, placement on the salary schedule, and/or disciplinary action.

O. Respectful Working Environment

1. Purposeful, intentional conduct by an individual or group of individuals against another, if a reasonable person would consider the behavior to be threatening, intimidating or offensive, is inconsistent with a respectful work environment. Examples include verbal abuse or other behavior that demeans, threatens, humiliates or intimidates others in the workplace. No professional educator shall be retaliated against for reporting, grieving or protesting such behavior. Likewise, no professional educator shall retaliate against a co-worker, or other District staff for reporting, grieving and/or protesting such behavior on the part of a professional educator.
2. Reasonable counselling, discipline or job performance evaluations are consistent with a respectful working environment and are not prohibited by this provision.

**ARTICLE 20  
NONDISCRIMINATION**

- A. In matters of wage, hours and employment relations, or any other matter covered by this Agreement, the District agrees to follow a policy of not discriminating against any professional educator on the basis of race, color, national origin, ancestry, sex, age, weight, height, marital status, religion, disability, sexual orientation, gender identity, lawful off-duty political activity or associations, the fact that the professional educator's residence is outside the District, or as otherwise provided by School Board policy.
  
- B. However, this provision shall not be construed to prevent the following:
  - 1. District participation in programs conducted in an effort to increase opportunities for minority groups, subject to the provisions of this Agreement;
  - 2. distinctions authorized by law; and/or
  - 3. consequences of District policies pertaining to assignment of spouses both employed by the District if one is an administrative or supervisory employee.
  
- C. The interpretation given to this Article shall be consistent with the proper interpretation of the provision of the Oregon Fair Employment Practices Act contained in ORS Chapter 659A. A grievance alleging violation of Section A of this Article may not be appealed to arbitration if the alleged discrimination is based on one or more legally protected classes.

**ARTICLE 21  
COMPLAINT PROCEDURE**

- A. "Complaint" means an allegation made against the professional educator brought by a parent or other citizen, or a nonsupervisory third party.
- B. If a complaint is made to a supervisor about a professional educator and the supervisor believes it warrants further consideration, such complaint shall be handled as follows:
  - 1. After hearing the complaint, the supervisor will request that the complainant discuss the matter directly with the professional educator. The supervisor shall not be involved in this discussion unless his/her presence is requested by either party.
  - 2. If the complainant refuses to discuss the matter with the professional educator or, if after discussing the matter with the professional educator the complainant is still dissatisfied, the supervisor will cause the complaint to be reduced to writing.
- C. If the supervisor decides to proceed further with the written complaint, the professional educator shall be provided notice within fourteen (14) days of receipt under the following circumstances:
  - 1. If the evaluating supervisor intends to make a record in the evaluation report of the professional educator against whom the complaint was made;
  - 2. If the supervisor intends to place a record of such complaint in the professional educator's personnel file or the building file;
  - 3. If in the supervisor's judgment such complaint is sufficiently relevant to the professional educator's performance so as to indicate the desirability of a conference (The professional educator may have a representative present at any such conference.); and/or
  - 4. If a professional educator learns of a complaint and requests a conference. The supervisor shall meet with the professional educator and shall describe the nature of the complaint including specific examples of the time, place and type of action complained of, if known, at the conference.
- D. The professional educator may have a representative present at such conference. The name of the complainant may be given as part of the discussion of such specifics. The professional educator shall have an opportunity to respond fully to the complaint. If, however, the complaint is used in any manner to support actual or recommended discipline, administrative transfer, nonrenewal or dismissal, such record shall be placed in the personnel file and the complainant's name shall be disclosed if the professional educator so requests.

## **ARTICLE 22 PERSONNEL FILE**

- A. There shall be only one official District personnel file which shall be maintained by the Human Resources Department.
- B. With the exception of items which are duplicates of those in the District file, evaluation materials as described in the District Teacher Evaluation Handbook (Revised to become the PPS Handbook for Professional Growth and Evaluation), and in-service records, and other official records, materials in the supervisor's building file shall be removed when the supervisor or the professional educator is transferred.
- C. Each professional educator shall have the right upon request to review the contents of his/her District personnel file as well as any similar building file maintained by his/her supervisor. A representative of the Association may:
  - 1. at the professional educator's request accompany the professional educator in this review, or
  - 2. be authorized by the professional educator in writing to review the file.
- D. A professional educator shall be provided a copy of any materials relating to the professional educator's work performance if such materials are to be placed in the professional educator's personnel file. A complaint shall not be placed in the professional educator's personnel file unless accompanied by a written directive from the administrator. Each professional educator's personnel file subject to such review shall contain the following minimum items of information:
  - 1. all professional educator evaluation reports
  - 2. transcript of academic records
  - 3. contract status recommendation
- E. The professional educator may respond to any item placed in the professional educator's personnel file or the record described above of the professional educator maintained by the supervisor and said response shall become a part of the file. A professional educator may request and have granted that letters of warning/and reprimands be removed from his/her building file if after three (3) years of being written no subsequent similar entries have been made into the professional educator's building or personnel file.

## **ARTICLE 23 EVALUATION**

- A. The performance of professional educators shall be evaluated in writing in accordance with the provisions of the Portland Public Schools Handbook for Professional Growth and Evaluation (hereafter referred to as the "Handbook") dated December 16, 2013. Any revisions of the Handbook shall be mutually agreed upon.
- B. The Handbook and appendices shall be made available in electronic form to all professional educators and District administrators. An electronic copy of the Handbook and appendices, including the Framework and appropriate forms setting forth criteria to be used in evaluations, shall be distributed to professional educators whenever the Handbook is revised and to all professional educators who are being newly evaluated using the Handbook.
- C. An evaluator's rating of a professional educator in an element or a component shall be based on direct evidence supporting the rating and the evaluator shall include the evidence in the written evaluation.
- D. Testing:

Student performance on District-wide and/or other standardized tests may indicate where modifications of instruction are required and the implementation of such modifications may be part of the evaluation process. However, evaluations or criticism of a professional educator shall not be based specifically on the issue of comparisons of such student performances.

- E. While varied sources of information are weighed and considered, observations of a professional educator's performance and written evaluations shall be done only by licensed administrators. No member of the bargaining unit shall be the individual responsible for the evaluation of another member of the unit. Observations of professional educators made by non-administrators in the course of the non-administrators' duties shall not be shared without written permission of the observed professional educator.
- F. Evaluation Cycle:
  - 1. The evaluation cycle differs for probationary educators and contract educators. All professional educators in the bargaining unit shall be included in the definition of probationary or contract educators in accordance with Article 1: Status and Effect of Agreement.
  - 2. Probationary professional educators shall be formally evaluated at least two (2) times during the school year. Such written formal evaluations shall be completed by the last working day preceding the winter break and by March 1st.
  - 3. Unless substantive reasons exist, contract professional educators in Option 1 shall be on a two-year evaluation cycle. During year one (1), the Supported Phase of the cycle, contract professional educators will continue to work on their goals and reflect on their practice. During year one (1), the evaluator may conduct informal observations.
  - 4. Substantive reasons shall include evidence of unsatisfactory performance as defined by the evaluation Framework, and as documented through informal observations. Assignment to a new building shall not be considered a substantive reason to be placed on a Supervised Phase.
  - 5. During year two (2), the Supervised Phase of the cycle, the process of observations and conferences described in the Handbook will culminate in a summative evaluation meeting in which the evaluator and professional educator shall review a written summative evaluation report. The summative evaluation report shall be submitted by May 1<sup>st</sup> of the year it is due.

6. Upon request, a professional educator shall be provided with a copy of the original notes made by the evaluator during an observation.
7. A copy of the written evaluation shall be submitted to the professional educator at the time of the formal evaluation conference or within ten (10) days thereafter; one (1) copy is to be signed and returned to the administration, the other is to be retained by the professional educator.
8. A professional educator having more than one supervisor shall not be subject to more than one evaluation cycle / supervised phase.

G. Evaluation Committee:

The Evaluation Committee will meet to continue its work on the evaluation process and Handbook.

H. Observations and Conferences:

1. Formal Observations:

- a. Formal observations shall be preceded by a pre-observation conference and shall be followed with a post-observation conference.
- b. Following the observation, the evaluator shall give a copy of the original observation notes to the professional educator.
- c. A post-observation conference between the professional educator and evaluator shall take place generally within five working days following the formal observation and shall be private.

2. Summative Evaluation:

- a. A Summative Evaluation Report shall be completed for probationary professional educators and submitted by March 1. A Summative Evaluation Report shall be submitted for contract professional educators at least every other year by May 1<sup>st</sup> of the Supervised Phase.
- b. The educator shall sign a copy of the Final Summative Evaluation Report to signify receipt of, not agreement with, the Report.

I. A professional educator or an administrator may request the presence of an observer at any formal evaluation meeting.

J. In the event that the professional educator feels that the evaluation was incomplete or unjust, s/he may put his/her objections in writing and have them attached to the evaluation report to be placed in his/her personnel file. Such written objections shall normally be made within thirty (30) days of receipt of the evaluation.

K. Program of Assistance for Improvement

1. The Program of Assistance for Improvement shall be in writing and include the following:
  - a. A description of the deficiency which is to be addressed by the Program of Assistance for Improvement; and
  - b. A program for achieving the desired performance improvement. The program of assistance shall include:

- (1) The description of the improvement in performance that the educator is expected to achieve;
  - (2) A description of resources to be used and assistance to be provided by the District; and
  - (3) The program shall contain a reasonable timeline for completion and include a schedule for assessing progress towards achieving improvement in performance.
2. Upon request of the professional educator, following successful completion of a Program of Assistance for Improvement, the educator shall be given written verification. A copy of this notice shall be placed in the personnel file.
  3. Waiver
    - a. The parties agree that the provisions of ORS 342.895(5) are hereby waived by the District for the duration of this Agreement. That is, should a grievance or other claim of violation of applicable evaluation procedures or fundamental unfairness in a Program of Assistance for Improvement be held by the Association or individual professional educator, such grievance shall be filed in a timely manner pursuant to the provisions of the grievance procedure set forth at Article 26: Grievance Procedure. Such a grievance shall not be held in abeyance for the timeline set forth in ORS 342.895(5). This waiver is subject to the repeal or amendment of ORS 342.895(5) during the term of this Agreement.
    - b. The parties understand that the filing of a grievance as described above shall not operate to delay or otherwise impede the District's right to implement the Program of Assistance for Improvement.
- L. A grievance relating to an evaluation of a professional educator may be filed to the extent that it alleges:
1. An item is clearly untrue, or
  2. A violation of the procedural requirements of this Article, or
  3. A violation of (a) specific provision(s) of the Handbook and any revisions to that document.
- M. Nothing in this Agreement shall be construed to limit the opportunity of the professional educator or of either party, to make claims concerning alleged violations of this Agreement or of policies, in their presentations to the Fair Dismissal Appeals Board.
- N. A grievance arbitration will not result in a requirement that the evaluation be modified or withdrawn unless it is shown that a violation of the evaluation process as described above directly affected the outcome of the evaluation. If an arbitrator determines that a probationary professional educator was not evaluated as described in F above and that the failure to follow the evaluation process directly led to the nonrenewal, discharge or dismissal, the arbitrator may reinstate the professional educator but shall have no authority to grant any additional years of employment status, including contract status, beyond that which existed at the time the original evaluation which was subject of the grievance occurred. Thus, the arbitrator shall have no authority to rule separately on the issue of the nonrenewal, discharge or dismissal of the professional educator.

**ARTICLE 24**  
**NEGOTIATION PROCEDURES**

- A. Neither party shall have any control over the selection of the representatives of the other party.
- B. The parties mutually pledge that their representatives will hold all necessary authority to make and consider proposals and concessions in the course of bargaining, subject to ratification by the Board and Association, respectively.
- C. The parties agree to enter into collective bargaining over the successor agreement no later than the first workweek in January of any affected year.
- D. Release time with pay shall be allowed to a maximum of six (6) Association representatives to the committee for up to twenty-five (25) bargaining meetings. Up to two (2) representatives representing the Association may be released from assigned responsibilities for full-time, but without pay from the District. Other negotiation meetings conducted during the workday shall be at the cost of substitute(s) to the Association. Upon mutual agreement, these meetings may occur during off-duty hours.
- E. Strikes and Lockout
  - 1. Professional Educators and the Association will not be involved in any form of illegal work stoppage, boycott, or picketing concerning the District. Legally sanctioned activities authorized by ORS 243.726 or during reopened negotiations provided for in this Agreement are permissible. The District is not required to pay professional educators during any work stoppage.
  - 2. There will be no illegal lockout of professional educators by the District, as a consequence of any dispute arising during the period of this Agreement.

**ARTICLE 25  
ADMINISTRATION OF AGREEMENT**

**A. Contract Administration Meetings**

1. Meetings between designated representatives of the District and the Association shall normally be held monthly for the purpose of reviewing specific problems relating to this Agreement. Such meetings are not intended to bypass the grievance procedure. Such meetings shall constitute an "informal grievance" hearing if the issue concerns an action of a central administration office having impact on professional educators and qualifies as a grievance under the terms set forth in Article 26; Grievance Procedure, Section A1. If, after ten (10) days, the issue is not resolved at one or more meetings, the Association may file a formal grievance at Level II.
2. Each party shall submit to the other, on or before the Friday prior to the meeting, an agenda of items to be discussed.
3. Release time with pay shall be provided to a maximum of three (3) Association representatives for attendance at up to eight (8) such meetings. Additional representatives may be released, as needed, to address a specific agenda item, generally with one (1) week's notice.

**B. Amendment of Contract**

Should an administration meeting result in a mutually acceptable amendment of the present contract, then said amendment shall be subject to ratification by the Board and the Association, provided that the designated representatives shall be empowered to effect temporary, mutually agreed upon alterations to resolve special problems.

**C. Written Communications**

Written responses regarding unresolved issues when requested by either party shall be made within two (2) weeks following the meeting. "Responses" may be only preliminary in nature. This Article does not preclude modification of positions or responses.

**D. Building/Program Contract Administration Meetings**

At the request of the Association designated representative, principal, or program supervisor, a monthly meeting shall be held for the purpose of reviewing the administration of this Agreement as it pertains to that building or program and resolving problems which may arise. These meetings shall include elected Association building/program representatives and building/program administrators.

## **ARTICLE 26 GRIEVANCE PROCEDURE**

Group grievance: If, in the judgment of the Association, a grievance affects a group or class of professional educators, the Association may submit such grievance in writing to the Chief Human Resources Officer or designee directly and the processing of such grievance shall be commenced at Level II. However, a group grievance affecting professional educators at a single building or an Association grievance affecting professional educators at a single building shall be initiated at Level I with the principal or immediate supervisor.
  - d. If a grievance arises from action or inaction on the part of a member of the administration at a level above the principal or immediate supervisor, the grievant shall submit such grievance in writing to the Chief Human Resources Officer and the processing of such grievance will be commenced at Level II. 2. Grievant: A "grievant" is the professional educator or professional educators or the Association making the claim.
3. Day or Workday: Unless specifically defined as calendar days, all days in this agreement mean contract days for the bargaining unit included in the standard calendar; excluding holidays, weekends, and other non-working days including winter, spring and summer breaks. During the summer recess, a grievance may proceed upon mutual consent of the parties.
4. All grievances shall be filed within thirty (30) days after the first knowledge by the injured party of the factual occurrences constituting the basis of the grievance. In case of an assignment, or other continuing classification or condition, a grievance concerning either past or future effects thereof may be limited in its remedy of past effects to adjustment no more than thirty (30) days prior to the filing of the grievance.
5. A grievance may not be filed over a unit determination matter or a 1(e) violation of ORS 243.672 or a matter that would cause the District to commit an unlawful act or a matter imposed upon the District by a higher authority.
6. The District shall continue, with respect to professional educators, to provide the separate grievance procedure in existence with respect to issues arising solely under policies and regulations other than this Agreement, or regarding matters which are not employment relations as defined by law.

## B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems that may from time to time arise affecting professional educators. Both the parties agree that these proceedings will be kept informal and confidential as may be appropriate at any level of the procedure.

## C. General Procedures

A professional educator who initiates a grievance may elect to be represented by the Association or the professional educator may elect to represent himself/herself at Levels I & II. If the professional educator elects to represent himself/herself, the professional educator shall so indicate in writing and shall include a statement that the professional educator assumes responsibility for all costs which the professional educator incurs associated with the processing of the grievance.

### 2. Parties Present

- a. The grievant shall have the right to be present with witnesses at any level of the grievance process (but may waive this right through the Association representative). The presence of the administrator whose action is the subject of the grievance may be required. The grievant is entitled to Association representation at any meeting or hearing held under this procedure.
- b. When it is necessary, pursuant to the grievance procedure provided for in this Agreement, for grievants, building or program representatives, members of the Association's Advocacy Committee, or any other representative designated by the Association to attend a grievance meeting or hearing during a school day, up to up to two representatives and the grievant(s) shall, upon notice to his/her supervisor or principal, and to the Superintendent, be released without loss of pay, as necessary, in order to permit participation in the foregoing activities. However, should the participation of witnesses in the grievance procedure necessitate the employment of a substitute, the Association shall assume the responsibility for payment of the cost of the substitute.

- a. the adjustment is consistent with the terms of this Agreement; and

The written formal grievance shall, if applicable, contain the specific Agreement article and section that has allegedly been violated (e.g., Article 18.F), and/or identify the basis for the grievance and include a short statement of the facts giving rise to the allegation and the relief sought. The written response shall include the decision and the rationale for such decision.

8. Separate Files

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file which shall constitute a "personnel file," within the meaning of the confidentiality provisions of ORS 342.850. Access to those files shall be limited to those with a valid business interest in the case.

9. Forms

Grievance forms shall be prepared jointly by the administration and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

10. Privacy

- c. Step 2: Within ten (10) days following completion of the Level II, Step 1 hearing, the Chief Human Resources Officer or designee shall provide a written decision to the parties. A copy of the request shall simultaneously be filed with the District. Each party shall then alternately strike one (1) name from the list supplied until one (1) name remains and that person shall be arbitrator. The arbitrator's decision shall be in writing and shall set forth findings of fact, reasons and conclusions. The arbitrator may not add to, subtract from, or modify the terms of this Agreement, and may not award punitive damages. The arbitrator's decision shall be final and binding.

4. Costs

11. Order of Proceedings

The arbitrator may, at his/her discretion, vary the normal procedure under which the initiating party first presents the claim (except in discipline cases) but in any case shall afford full and equal opportunity to all parties for presentation of relevant proofs. The hearings may be reopened by the arbitrator on his/her own motion or on the motion of either party for good cause shown at any time before the award is made, but if the reopening of the hearing would prevent the making of the award within the time specified in these procedures or any other specified time agreed upon by the parties in writing, that matter may not be reopened unless both parties agree upon the extension of such time limit.

12. Serving of Notices

Each party shall be deemed to have consented and shall consent that any papers, notices or processes necessary or proper for the initiation or continuation of an arbitration under these rules and for any court action in connection therewith or the entry of judgment of an award made thereunder may be served upon such party (a) by mail addressed to such party or

his/her attorney at his/her last known address, or (b) by personal service on such attorney or the Employee Relations Department or the Office of the Association as applicable.

#### 13. Communication with Arbitrator

Except as expressly authorized herein, there shall be no communication between the parties and the arbitrator other than at oral hearings and those necessary to accomplish the filing of evidence, briefs and papers, to arrange the order of proceedings and to provide notice. Prior to contacting an arbitrator, the opposing party shall be given notice by the initiator.

#### 14. Arbitrability / Review of Arbitration Decision

Upon request of either party, the arbitrator shall first hear and rule in writing on questions of procedural and substantive arbitrability. Grievances, in order to be arbitrable, must have been processed according to this grievance procedure. Grievances must include only those issues described in Section A1 of this grievance unless otherwise agreed to by the parties. Grievances shall be heard unless the contract clearly is not susceptible to the interpretation cited in the grievance. Ambiguity shall result in the grievance being considered. If neither party requests a separate hearing on grounds of arbitrability, and if the arbitrator still rules that a grievance is not arbitrable, s/he shall not comment on the merits of the grievance in any way.

#### 15. Conflict of Interest

No person shall serve as arbitrator in any arbitration in which he or she has any financial or personal interest in the result of the arbitration, unless the parties, in writing, waive such disqualification. Prior to accepting the appointment or immediately upon receiving notice of this rule, whichever is later, the prospective arbitrator shall disclose to the parties any circumstances likely to create a presumption of bias or which might disqualify him or her. If either party declines to waive the presumptive disqualification, the vacancy shall be filled in accordance with the procedures described below.

#### 16. Substitute Arbitrator

If any arbitrator shall resign, die, withdraw, refuse or be unable or disqualified to perform the duties of the office, it shall be vacant and the matter may be reheard by a new arbitrator. A party desiring to fill such vacancy and continue arbitration must give notice thereof to the other party at the Oregon Employment Relations Board within five (5) days of the date of receipt of knowledge of the vacancy and request that the Employment Relations Board furnish an additional list of seven (7) arbitrators. The successor shall then be selected in the same manner as in the original selection.

**ARTICLE 27**  
**DURATION**

- A. This Agreement shall become effective the 1<sup>st</sup> day of July 2013 and shall continue through June 30, 2016.
- B. Should there be an intervening change in financial resources available to the District which would demonstrably and drastically reduce the District's revenue, and thus, fiscal stability below the level being planned for at the time of the development of this Agreement, the parties will meet to analyze the impact and resulting status and to mutually make modifications that may be judged to be necessary and in the best interests of the parties.

**APPENDIX B  
EXTENDED RESPONSIBILITY SCHEDULE**

1. Extended responsibility pay is for activities and responsibilities performed, primarily, outside the standard workday. It is understood that, except for those that are extensions of the classrooms or job assignment, extended responsibility pay positions are voluntary. Extended responsibilities that are an extension of the assignment are indicated in Appendix B by (\*). Such extended responsibilities shall be required and shall be automatically calculated in the professional educator's salary. If the school does not have a regular classroom assignment (e.g., no newspaper class), the extended responsibility would not be included under this section. In such cases, the extended responsibility would be voluntary.
2. Extended responsibility pay shall only be paid as provided in this contract at the rates indicated without variation.
3. The extended responsibility rate shall be the base salary rate in Appendix A (Step 1 on the BA + 0 column). This is the figure against which all extended responsibility percentages are factored for the duration of this Agreement.
4. Extended responsibilities indicated by a double asterisk (\*\*), shall be reviewed by the Extended Responsibility Committee to determine whether they shall be continued or deleted from the schedule. No new extended responsibility contracts in these areas shall be granted until the Committee completes its review.

DEFINITION OF SUBJECT**

1. For purposes of determining competence under this Agreement “subject” shall be defined as an area of study roughly equivalent to a traditional department at the secondary level. It shall include, but not be limited to: Math, Social Studies, Language Arts, Science, Health, Art, Special Education, and World Languages. For certain areas of study, including PE, Music, and CTE, “subject” is more narrowly defined to specific types of courses as indicated in the table below.
2. Since professional educators must also be properly licensed for their assignments, assignment notices shall typically include endorsement areas such as Spanish, Chemistry or Advanced Math.

Area of Study	Subject
Music	Band Orchestra Vocal music/choir
PE	Adaptive PE PE
CTE: Agricultural Science and Technology	Sustainable Agriculture
CTE: Business Management & Administration	Accounting and Financial Services Administrative Services General Business Education Marketing Office Technology
CTE: Financial Services	Accounting and Financial Services
CTE: Health Sciences	Dental Sciences Medical Assisting Nursing Sciences
CTE: Industrial & Engineering Systems	Commercial & Residential Electric Construction Technology Industrial Automation
CTE: Manufacturing Technology	Building Construction Metal Fabrication Precision Machining
CTE: Marketing / Management	Marketing Management
CTE: Natural Resources Management	Natural Resources
CTE: Transportation Technology	Automotive Diesel Mechanics
CTE: Visual, Performing, and Media Arts	Digital Media Photography Video Production Web Design

3. Subjects under CTE are Programs of Study (POS) for students. High school elective courses with similar titles to CTE programs of study are not included in the definition of “subject” for CTE areas of study.
4. CTE teachers are vetted through an Instructor Appraisal Process. Applicants, with assistance from the CTE Regional Coordinator, assemble an Instructor Appraisal Committee (IAC). If approved, the IAC recommends a Professional Development Plan and NCES codes/courses that the instructor is allowed to teach.
5. Either party may bring additional areas of study/ subjects to contract administration to be considered for inclusion in the chart above. Such additions must be mutually agreed upon. Additions to the chart may not take effect during the traditional staffing period in the spring/summer.

**APPENDIX E**  
**MAINTENANCE OF INSURANCE BENEFITS**

Article 10: Insurance Protection, Section 3 provides for the maintenance of the benefits over the term of this Agreement. The benefits to be maintained shall be amended to allow the School District No. 1 Health and Welfare Trust to choose Regence Blue Cross/Blue Shield as the third-party medical claims payer for the self-funded health plans only as specifically described below:

- a. Effective February 1, 2014 the benefit levels for Level 3 (out of network) claims under the Trust's self-insured medical plans are modified to conform with Regence's operational practices, specifically as follows:

- (1) Direct payment shall not be required to out-of-network providers, and

- (2) Regence's definition of "usual and customary" rates shall apply.

All other plan benefits shall continue as described in the Trust's plan documents.

- b. This agreement is not intended to bind the School District No. 1 Health and Welfare Trust from changing medical claims payers at any time. Should the Trust choose to replace Regence as a third-party claims payer, the new claims payer shall use definitions (usual and customary, medical necessity, and durable medical supplies, etc.) in the same manner that they were defined by the third-party claims payer in place immediately prior to Regence.

**APPENDIX F**  
**Memorandum of Understanding**  
**WORKLOAD**

Portland Public Schools (the District) and the Portland Association of Teachers (the Association) are committed to working together to improve educational outcomes for students. In recognition of the need to continue informed discussions regarding workload, the need for the workload committee to conduct its work transitioning into the next bargaining cycle, the efforts that professional educators make to meet student needs, and the various elements that make up workload for professional educators, and financial realities, the parties agree as follows:

1. The District shall designate one hundred percent (100%) of its pro rata share of the additional \$100 million appropriated to the State School Fund by the Oregon State Legislature in October 2013, which the District currently anticipates will be \$7,800,000, to hiring professional educators in schools for the 2014-15 school year.
2. Including, but not limited to, the funds so designated, the District shall provide for the addition of not less than one hundred fifty (150) FTE balanced across all professional educator positions and allocated as follows: fifty (50) FTE to high schools staffing, seventy (70) FTE to elementary/middle/PK-8 school setting, and thirty (30) FTE to Special Education staffing. The District shall provide verification that there has been a net increase in professional educator positions as allocated.
3. Should the District maintain an eight (8) period day (six (6) of eight (8) schedule) at District high schools, the District shall have until the 2016-17 school year to re-establish student load levels at the 2010-11 levels required by Article 5 Section D, provided progress is made each year toward achieving such student loads.
