Voices of Roosevelt

Filip Hristić

Roosevelt High School Principal

"I am thrilled about the modernization. The new facilities will provide our students and staff with exciting opportunities."

Abby Pasion

Roosevelt High School class of 2014 and Design Advisory Group member

"I really like the commons area. I really advocated for it at the Design Advisory Group meetings. It really gives Roosevelt a central place, a heart of the school."

Herman Greene

Roosevelt High School Parent and Design Advisory Group member

"What this shows the kids is that all these people care about us. They all come from different places and they are all doing this for us. That's an investment in my tomorrow and future."

The Roosevelt High School modernization is a $92 million investment in North Portland.

Design Highlights Include

- Learning wings with spaces for group and individualized learning.
- New opportunities for career and project-based learning.
- A welcoming student commons at the center of the campus.
- A community services center with a separate entrance for after-hours use.

Norm Daniels
Roosevelt High School class of 1966

"It's exciting to see Roosevelt on the leading edge of great change for both the student body and the community."

Charlene Williams
Senior Director Roosevelt Cluster

"The way we are going to be able to take Roosevelt to the next level is to rise together. Our facility is going to be a crowning jewel for the St. Johns Community."

Mike Schrunk
Roosevelt High School class of 1959

"There is no greater investment in our future than the one we make in educating our future leaders."

Where we go from here:

SUMMER 2014 – SPRING 2015
Construction planning

Team creates construction documents and shares construction phasing plan that **allows students to remain on site during modernization**.

SUMMER 2015 – FALL 2017
Roosevelt transforms

Students remain at RHS and start moving into new educational spaces during the 2016-17 school year while construction continues until completion.
