Discussion:

1. Schedule:
 - a. Michelle discussed Design Workshop on Saturday, 9/21, 9AM-12PM in the Roosevelt cafeteria. This meeting is open to the community.
2. Introductions by PPS and Bassetti team.

RHS Design Advisory Group
9/5/2013

3. Themes:
 - a. Seven themes introduced by Lorne which are a consolidation of district and community guiding principles, overarching goals, and visioning process. The themes are attached at the end of these meeting minutes and revisions noted in bold orange font. Michelle mentioned that the themes being discussed are building upon previous work from the district and the Long Range Facilities Group.
4. Learning Focused Theme
 - a. Micheal V. mentioned that Lifelong Learning and Fitness is an opportunity that the community can take advantage of maybe by teaching people about it.
 - b. Alicia mentioned the need for wheelchair accessibility
5. Personalized Theme
 - a. Michael V. talked about the school being open beyond the school day to the neighborhood and community. Having an easy way to access the facility is important.
6. Flexible and Adaptable Theme
 - a. Bobbie talked about how zoning of the building is important and the importance of HVAC.
 - b. Micheal V. talked about how the community is concerned about budget but the end product needs to look like a “futuristic” school.
7. Honor Community Theme
 - a. Charlene mentioned RHS low air quality and potential community partnership to incorporate vegetation on site to improve air quality.
 - b. Michael V. talked about the value of public education on not just healthy foods but how to prepare healthy foods.
 - c. Paul mentioned a potential partnership with Portland Parks and Rec. to build a new pool facility.
8. Safe and Secure Theme
 - a. Michelle informed the DAG that the community will be informed about construction hours, site access, road closures etc. Maps will be prepared to inform people about phasing, which can affect staff parking and school access. Michael V. said the neighborhood association can help spread the word.
9. Defining Characteristics Theme
 - a. Lorne introduced the topic of defining characteristics and to prioritize items as primary, secondary, and tertiary.
 - b. The following items were considered primary:
 - The front façade and entry tower
 - A mural (WPA) on the second floor at original library location.
 - Auditorium chandeliers
 - Auditorium proscenium arch

RHS Design Advisory Group
9/5/2013

- Overall fenestration
 - Legacy gifts such as memorial benches and memorial stones
 - The front entry walkway with trees
 - The front flag pole & flag pole by the auto shop
 - The existing Auditorium wing shell
 - c. The following items were considered secondary:
 - Interior molding
 - Courtyard of the existing 1921 building
 - The gym building. The gym floor was refinished around 5 years ago and Greg Neuman is very fond of it.
 - d. The following items were considered tertiary:
 - Observatory
10. Additional Comments
- a. Bobbie talked about if there is a need for CTE at Roosevelt. Michael V. mentioned that CTE could benefit the community by providing classes for people to get reskilled in those areas.
