

# 2016 - 2017 8<sup>th</sup> Grade Supply List

Dear Families,

It is important for your child's success that he or she comes to school prepared for all learning activities. This supply list represents tools that are used daily – beginning on the first day of school. Also, please keep in mind that as the year progresses, supplies are used up and need to be replenished right away.

The non-instructional supplies will be used as community supplies to keep our classroom clean and germ-free, our hands and noses clean, and supplies organized. We disinfect our tables twice weekly and go through a lot of disinfectant wipes.

Thanks you for your support, and here's to a great 8<sup>th</sup> grade year!

Cheers,

*Jerry Allen and Suzanne Germaneri*
