

Beach School Community Care Day

August 27, 2016 from 9 - noon

Come roll up your sleeves to spruce up our grounds, help teachers set up classrooms, paint interior walls, put up bulletin boards, and so much more! We look forward to you joining us to create a welcoming and beautiful space when we open our doors to students!

Bring garden tools (with your name on it) and comfortable work clothes!

Free food (first come, first served) and DJ on site!
