

Dear Glencoe Community,

We've had another exciting week here at Glencoe. As I write this, I'm listening to Ms. Roberts's 3rd grade class do a scavenger hunt to learn about the solar system. Our 4th grade classes lucked out with beautiful weather for a trip to Bonneville Dam on Wednesday, and then we were surprised with more snow today at recess!

I hope your family is able to get rest and spend time with each other over spring break. We look forward to welcoming students back on April 3. Thank you for all you do to make our school a special place.

Warmly,
Sarah Waltrip
