

Dear Glencoe Community,

We had the BEST week ever! I'm sure you heard about our pajama-clad visitors and all the fun and joy we had with llamas Beni and Prince. A huge appreciation to Ms. Gardner and staff who helped get them here, and to 4th grade parent, Jeremy Beaumont, who was our official photographer for the event! It was the highlight of the year for me to see so many smiling faces and feel the palpable excitement from the students and grown-ups alike.

The end of the year is coming faster and faster, and with it, so many events and things to get done! Remember to update your calendars with our end-of-year event dates. That includes our Centennial Celebration on May 29. Please see below for more information about how you can get your very own Glencoe Centennial gear before the event!

I wish you all a wonderful weekend, and I look forward to seeing you on Monday!
