

Dear Glencoe Community,

What an amazing end to a great year! I want to take this opportunity to thank all of you for your support of our community this year, however that may have looked. I appreciate your partnership and trusting us with your most precious people.

I also want to extend my appreciation to all of the volunteers and parents that helped make our end of year celebrations special. Field Day was a tremendous success! Congratulations to our 5th graders who will be moving on to Middle School next year! We wish you the best of luck, Class of 2032!

I wish you all an amazing summer full of sun, fun, and relaxation! I will send out the back to school letters with all the information you need when office staff returns in early-to-mid August. I am simultaneously excited for summer and know that I will miss all of the students. I look forward to welcoming you all back to school in late August! Enjoy your summer break!

In appreciation,
Katie
