

A message from Guest Principal, Sarah Lewins:

Dear Glencoe Families,

Well it's been a busy start to the new year! We have been fortunate to have enough staff to cover any staff absences and instruction has been moving along pretty smoothly. I am hoping we will not have to move to distance learning but if that ends up happening you will get some notice and an explanation of how long and what the plan will be.

We are having a recurring issue with dogs on the grounds during the school day. This includes during dismissal. Please do not bring your dog onto the school property during the day. They can pose both a safety issue as well as a hygiene issue.

Remember there is no school and no KidZone on Monday, January 17 due to the Martin Luther King holiday. Also, COVID testing kits will go home on Friday 1/14 instead of Monday due to the holiday. Please bring the test samples back as usual on Tuesday 1/18.

Take care and try to stay healthy!!

Sarah Lewins

A message from Glencoe Principal, Lori Clark:

Dear Glencoe Families,

I will be out on medical leave starting November 1st with a return date of late January. Right before the pandemic I injured my knee which led to the realization that I am in need of a full knee replacement. At this point, it is time for me to move forward with surgery. Thankfully, I reserved Sarah Lewins, a very experienced, retired administrator to cover Glencoe in my absence. Ms. Lewins retired from PPS where she last served as principal of Markham Elementary. She is very familiar with PPS and has been subbing and supporting schools since her retirement.

Although my secretary, Laurie Roberts will be monitoring my email and forwarding information to Ms. Lewins, I wanted to give you her direct email address: slewins@pps.net.

Best,
Lori Clark, Glencoe Principal
