SCHOOL CLOSED MAY 8TH / SCHOOL YEAR EXTENDED

Last month, the district shared with you, in a message that the Oregon Education Association designated May 8 as a statewide “Day of Action.” From their communications with Portland Association of Teachers and our principals, they now have an estimate of how many teachers intend to be absent on that date in order to advocate for full funding of K-12 public schools. They now have a clear indication that the number of teacher absences will exceed our ability to safely open and operate our schools. Because student safety is our highest priority, **all PPS schools will be closed on May 8, 2019.**

A few exceptions will apply:

- Outdoor School will remain open and uninterrupted the entire week of May 6-10.
- Night classes will continue as regularly scheduled on May 8.
- Previously scheduled A.P. and I.B. testing will continue as planned on May 8.

To make up the instructional hours lost on May 8, **the last day of school for PPS students will now be June 12.** The third and final designated makeup day identified on the 2018-19 district calendar will be used.

For grade 12 students, **the last instructional day for seniors will move from May 30 to May 31.** In addition, The PPS Board of Education will be asked to approve an exception this year for seniors. This exception will enable PPS to meet the total mandated instructional hours required by the State of Oregon for grade 12 students.

The district is currently confirming that athletic competitions, arts performances and other events scheduled in the late afternoon or evening of May 8 will continue as planned. Should events need to be cancelled, they will follow up with affected school communities and participants. Additionally, they will share the Board’s decision on the exception for seniors.

GHS ALL NIGHT PARTY NEEDS YOU!

Attention Parents –

Graduation probably seems far away for many parents of younger GHS students, but it will be here faster than you know. For seniors and their families, graduation night is crazy with activity, emotion, excitement and pride. One of the pinnacle activities related to the graduation ceremony is the GHS All Night Party, a drug and alcohol free tradition for seniors to celebrate their achievements. While most all of the work for the party is done in the months leading up to graduation, we still need some key jobs done at the party on the night of graduation. Would you consider “paying it

forward” and helping out? We need help with the following:

On site volunteer coordinator - We have two volunteer coordinators who will work hard in the days/weeks leading up to the event to make sure we have volunteers on site for the party. These dedicated parents also have Seniors graduating and cannot be at the actual ANP event. Would you consider being the onsite point person for checking in the volunteers, and helping make sure the volunteers understand their jobs?

More All Night Party volunteer opportunities will be advertised later in May, and we appreciate any help you can provide. This is a wonderful event which all the seniors enjoy and appreciate. Please consider paying it forward, knowing at some point there will be other parents doing the same for your kids when they are seniors. Please email me directly if you are interested in learning more. Thanks.

Beth Shiffman, GHS All Night Party Chairperson

August 10th, 2019 - The All Ability Tri4Youth is a barrier-free triathlon for ALL YOUTH- with and without disability! [Click here for more information.](#)

FACT Oregon’s All Ability Tri4Youth is the only barrier-free triathlon on the West Coast. Youth and young adults with and without disabilities compete individually or on teams in a 50-meter swim, 2-mile bike ride, and ½-mile run. We present athletes with a wide range of options for how they can be supported to complete the course. These include the use of adaptive equipment, competing on a team with family or friends, use of flotation devices and different types of bikes, etc.

The Family Fun and Resource Fair is a simultaneous part of the day, connecting families experiencing disability with local businesses and community partners who can share inclusive sport and community recreation activities and resources. We want every family to see that a lifestyle of activity and physical health can indeed be in their future. There are already Grant students signed up! Join the fun!

PARKING LOT ACCIDENTS

Recently we have had a few hit and run accidents in our parking lot. Some damage has been fairly serious. If an accident occurs in the Marshall campus parking lot it should be reported to the school’s main office, Campus Security, or leave a note, with contact information, on the car.

MAX SAFETY REMINDER

We are still receiving reports from TriMet that Grant students are continuing unsafe behavior to and from the MAX station. They are walking in the middle of the road, crossing against lights, and in front of buses. Parents, please remind your students **to**

always use caution when walking to and from the station and always stay on the sidewalks and follow traffic lights. TriMet has a new paratransit service facility at the Powell MAX station, with roughly 110 vehicles housed at the facility.

NEWS FROM NUTRITION SERVICES

Families interested in submitting a Free and Reduced meal application for the **2019-20** school year can apply on or after July 1, 2019. The new federal income guidelines will be published on the updated meal application and posted on the Nutrition Services website after July 1st. It will be located online at: <https://www.pps.net/Page/2464> and will include translated versions. Families can also apply online on or after July 1, 2019 via the SchoolCafe website: www.schoolcafe.com or download the mobile app. If they are new to SchoolCafe, they must register and create an account. Online meal applications are more accurate, are processed quicker and families can not only check the status of their application, but they can also print out a copy of their approval letter.

For summer registration packets or to hand out information during the school year, schools can print out the attached flyer which explains how families can apply for Free and Reduced meal benefits. Please note, the flyers were designed to print double-sided – English is on one side and the translation (Chinese, Russian, Somali, Spanish, Vietnamese) is on the other. There is also a one page English only version. Please do not distribute the 2018-19 Free and Reduced meal applications for incoming 2019-20 students. These applications cannot be processed for this purpose.

For Free and Reduced price meal benefit questions, please call the PPS Meal Benefits Office at 503.916.3402 or email mealbenefits@pps.net.

LET'S REBOOT BOOSTERS FOR 2019!

Since 1978, parents have helped fund activities beyond the classroom including clubs, courses, sports, dance and more. Some of the extracurricular expenses include lift tickets for the Grant Ski Team, supplies for Grant Magazine, and buses for field trips and yarn for the Knitting Club.

Boosters isn't just about supporting athletics. They also support many of the activities that enrich the high school experience and give students opportunities to explore. These opportunities include National Honor Society, Nothing But Treble Choir, Band and of course, all athletic teams.

The Boosters need your help and are seeking interested parents to help support Grant students and staff.

This resource can help you explain the consequences of underage drinking and reinforce your rules. Here's to health and safety at this important time in your teens life!

In keeping with our commitment to student safety, last October PPS joined school districts across the state in using the SafeOregon Tip Line. We want to remind you about this important resource.

SafeOregon was funded by the Oregon Legislature as part of a statewide effort to improve school safety. **It provides a secure means for anyone to anonymously report suspicious or imminently unsafe situations, such as threats of violence, fights, drugs and alcohol, weapons, bullying, harassment, intimidation or self-**

harm.

Anyone, from students to parents to community members, can access the system in a variety of ways, including:

- The [SafeOregon website](#)
- A live call/text (844-472-3367)
- An email to tip@safeoregon.com
- The mobile app that can be downloaded from your Smart Phone via iTunes or Google Play

Trained staff are available 24 hours a day, 365 days a year, to respond.
