The Boosters need your help and are seeking interested parents to help support Grant students and staff.

SAFEOREGON

The SafeOregon Tip Line aims to increase student safety

In keeping with our commitment to student safety, last October PPS joined school districts across the state in using the SafeOregon Tip Line. We want to remind you about this important resource.

SafeOregon was funded by the Oregon Legislature as part of a statewide effort to improve school safety. **It provides a secure means for anyone to anonymously report suspicious or imminently unsafe situations, such as threats of violence, fights, drugs and alcohol, weapons, bullying, harassment, intimidation or self-harm.**

Anyone, from students to parents to community members, can access the system in a variety of ways, including:

- The “Report unsafe behavior” button found on every PPS school’s website
- The [SafeOregon website](#)
- A live call/text (844-472-3367)
- An email to tip@safeoregon.com
- The mobile app that can be downloaded from your Smart Phone via iTunes or Google Play

Trained staff are available 24 hours a day, 365 days a year, to respond.

Please be sure to share this information with your friends and family. Remind your students: **If you see or hear something, say something - immediately.**

Let’s work together to keep our community safe.

POSTERS/FLYERS IN THE HALLWAYS:

In an effort to keep our halls neat and clean there will be designated areas for the posting of posters and flyers. But first, **ALL** posters, flyers and brochures **must be approved** through the Vice Principal’s office. Please see Mr. Taylor in Room A-30 for help with the approval process.
