

GRANT WEEKLY

August 16, 2019

MESSAGE FROM THE PRINCIPAL

We have had a great week unpacking and welcoming teachers back to the newly remodeled building. Student leadership and Erin McNulty have worked for two days to begin planning back-to-school activities. Our athletes have started to utilize the gym and field spaces.

We are excited to welcome students and families next week for registration (see information below). Students can pick up schedules, get photo ID's and bus pass and our bookkeeper will be here to assist with School Pay. Students can also go to the library to report schedule errors to their counselor via a google form and can get assistance with passwords.

Student leadership will be providing tours during registration or you can walk around on your own and see the amazing transformation.

I look forward to seeing you next week. The schedule for registration is below (if you cannot come at the designated time, show up when it is convenient.

Carol Campbell, Ed.D.

Principal

U.S. Representative Earl Blumenauer visits the Grant campus.

Volleyball camp in the new gym.
