SUCCESSFUL SCHOOLS SURVEY

Go to <https://www.pps.net/sss2020>

What is the first thing that comes to your mind when you hear the phrase “successful schools?” We believe that successful schools are safe, healthy and welcoming learning spaces that are inclusive for all students. But we want to hear your thoughts.

In 2019-20, Portland Public Schools is again partnering with Panorama Education to gather information from students and families that will help us improve student experiences across the district. We will survey students in grades 4, 5, 7-10 on their experiences in their classrooms and schools, and families about their perception of the school their child attends.

The survey will cover topics on sense of belonging, school safety, school climate, barriers to family engagement, as well as how students are thinking and feeling about diversity, equity, and inclusion in school.

The student window closes today. The family survey is open until February 28th.

Please be honest and thoughtful, we value your feedback!

This includes all students, employers, and employees with personalized Hop cards. If your card is not working please see Ms. Martin in the main office.

This year your Grant High School student ID card is a magnetized HOP pass that works with the new HOP pass machines on the busses. Students are required to have an active, working Student ID/HOP Card to ride the bus. Your regular bus driver may let you ride for free, but don't wait until a new bus driver decides to charge you to ride. If any of the following happens please see Ms. Martin in the main office:

1. Your card has stopped working.
2. You have bent, cracked, broken, or punched a hole in your card.
3. Lost your card (1st replacement is \$10.00; 2nd replacement is \$50.00).
4. Issues of any kind with your card.

TESTING INFORMATION

For the 2019/2020 school year the Portland Public Schools has changed its assessment plan for 11th graders. This year all 11th graders will take the SAT instead of the ACT. Both are post-secondary admissions exams accepted by most colleges and universities. The PSAT that 10th graders take directly correlates to the SAT.

On March 4th all 11th graders will take the SAT. Students in other grade levels are not permitted to register for the March 4th administration. It will be an early release day for all students - the programming and schedule for other grade levels is pending.

ALL SUBMISSIONS FOR THE WEEKLY BULLETIN MUST BE RECEIVED BY 2:00PM ON THE THURSDAY BEFORE YOU WANT IT TO RUN. EMAIL SDAVIS@PPS.NET
