## MINDFUL MARYSVILLE

April is bound to bring a lot of changes. The days are getting longer, the flowers and trees are beginning to bloom, and hybrid learning is starting for many students. Whether or not your child participates, they are likely to experience a range of feelings around this particular change. To help ease these feelings we will be reviewing some of our basic practices during our well-being lessons this month: [recognizing/managing emotions](#) [understanding the brain](#) [good stress vs bad stress](#) and [using our strengths](#). To learn more about each of these and how to incorporate them into your and your families lives, please click on the links. If you have questions or would like additional information and support, please don't hesitate to reach out! And remember to breathe; you are doing enough.

Warmly,  
Sara Fuller, Marysville School Counselor, she/her/hers

# FROM THE LIBRARY

Dear Marysville Families,

With the return of students to school for hybrid style education, I would like to ask that if your child is returning to the building, that they bring their bag of books with them if they have one. I am going to start distributing bags at school and need to have the bags back in order to have enough to do so. Your child can just bring that bag to school and leave it right outside the classroom in the hall, leaning against the wall. I will come pick them up!

When they are back, the students will have the option to either put up to 2 books on hold and/or choose to take home a bag of books. The students can put the books on hold through our library catalog, Destiny Discover. To request a bag of books, the teachers will ask the students every other Monday if they'd like a bag, and I will deliver the bags and/or books on hold to the outside of the classroom every other Thursday. Students may not get new bags or books until they return the ones they already have. The exchange will happen every 2 weeks.

Here is a [LINK](#) to a video explaining how to put books on hold. This video was part of a Seesaw activity posted in February, so some things have changed: books on hold will be distributed on Thursdays, and/or can be picked up during the book distribution times. The distribution will now only be on Mondays and Wednesdays (NOT Fridays) from 3-4:30pm.

Please contact me if you have any questions: ctucker@pps.net or on Remind.

-Ms. Tucker, she/her/hers, Teacher Librarian

# FAMILY CLUB

Although Family Club hasn't been meeting this year, we have a few things going on this month!

This Monday, April 5, support Marysville Family Club by ordering from [Atlas Pizza!](#) The location close to our school, at 6529 SE Foster Road will donate 20% of all proceeds to Family Club. Takeout only. Gift card purchases count as well! Call Atlas Pizza at 503-232-3004 to order! (Please note- this does not include orders made by third parties like Grubhub, etc.) When Family Club did this fundraiser last year, we made around \$400 - Maybe we can beat it this year?

Family Club will host an online meeting on Wednesday, April 14 at 6:30PM for you to meet Kellogg Middle School Principal, Richard Smith. Please come with questions. After Mr. Smith is finished presenting, please stay on for a brief Family Club meeting where we can discuss general ideas and interest for next year's Family Club. [Here is the link to the meeting.](#)

Family Club is looking for new leadership for next year. Please email us at [marysvillefamilyclub@gmail.com](mailto:marysvillefamilyclub@gmail.com) to connect with us. We aspire to lay the foundation for an anti-racist parent group that is representative of our diverse population.

Wouldn't it be nice if public school funding reached the students who needed it the most? Some PPS teachers and parents are advocating to [Reform School Foundation Funding](#). On the website, you'll learn about how the current model of foundation funding benefits the whitest and most affluent schools. This leaves behind schools like Marysville that don't have a foundation and contributes to systemic racism in PPS. If you'd like to see change, [please sign their petition.](#)

Do you need a Marysville yard sign? Please text or call Ellie Russell at 503-754-2026 to have one delivered to your home. Please join our [Facebook group](#) called Marysville School Community Group. Please [email us](#) to request being added to our google group.

# CONNECT TO KINDERGARTEN

# SUN

Do you have a student who will turn five on or before September 1st? Kindergarten registration for the 2021-2022 school year is now available online at <https://www.pps.net/kinderenroll>. If you are unable to enroll online and are in need of paper forms, email our school secretary at [mleong@pps.net](mailto:mleong@pps.net) to arrange for a time to pick up a registration packet.

## April 27, 4-5pm and April 30, 8-9 am:

Join us for our Spring Connect Virtual Event at Marysville! You'll have an opportunity to meet our principal and school staff, tour the school, and learn what makes Marysville special. Instructions for joining will be posted here shortly before the date of the event. Visit the [kindergarten page](#) on the [Marysville website](#) to find Connect to Kindergarten videos in multiple languages and learn more about kindergarten at our school, information on upcoming events, and how to register your student.

## Virtual SUN Class for 4-6th graders

If you have a 4-6th grader who would be interested in attending a virtual AKA Science SUN class with Ms. Audrey and Ms. Terie, please let me know at [arozelle@impactnw.org](mailto:arozelle@impactnw.org) or text 503-544-3380. The class runs for one hour a day, four days in a row. Future classes will take place in mid March and in April. Each day of class centers around a different theme: Biology, Chemistry, Physics, Engineering. The class is FREE, all activities are hands-on, and a kit with all the materials they need will be available at the school or delivered to your doorstep. Space is limited!

## Financial Assistance

If you are needing assistance paying bills, please contact Audrey Rozell at 503-544-3380 (text preferred) or via email: [arozell@impactnw.org](mailto:arozell@impactnw.org).

# FROM THE HEALTH OFFICE

## Marysville Families!

We are so excited to welcome you back! To keep your kids safe, we want to go over a few reminders. We will be visually screening students as they come in but if you have any concerns before they get here, please keep them home.

Based on the district guidelines, if they display any of the following you ***must*** keep them home:

- Fever/Chills
- shortness of breath
- new or consistent/worsening cough
- loss of taste or smell
- new rash/hives or sores
- diarrhea or vomiting
- recent positive test for COVID-19

**\*\*If your child shows any of these symptoms while in school, we will call home. Please be prepared to come and pick up your student as soon as possible if this happens. \*\***

## IMMUNIZATIONS:

If you have not updated your immunization records yet, please be prepared to do so the first day your student is back. IF we do not have current immunization records on file, your student will not be able to return until we have them in hand. Due to distance learning we have not had to enforce this but if your child received an exclusion order and was not cleared, you will be required to get updated immunizations for your student(s) before they can return. This is a State requirement.

Vicky G, School Health Assistant, [vgenge@mesd.k12.or.us](mailto:vgenge@mesd.k12.or.us), 503-916-6363, ext 103
