

MARYSVILLE NEWSLETTER

PRINCIPAL'S MESSAGE

Dear Marysville Families,

Happy Spring and welcome to the month of May. It's hard to believe we officially have less than 6 full weeks of school left before summer break. While this time of year is filled with lots of excitement and fun activities it is important to remember that there is still lots of learning to be done to prepare students to elevate to the next grade level.

Some of our wonderful upcoming events include a celebration for Asian American Pacific Islander Heritage Month, and a student talent show. Please look for more information in this newsletter and in the upcoming weekly newsletter.

State Testing

Starting this week Students in 3rd - 5th grade will be taking standardized tests. It is very important to allow your student(s) to take the tests and to encourage them to put forth their best efforts. Ahead of testing day, we hope your students can get a good sleep and come ready to demonstrate all the amazing things they've learned. Classroom teachers will share more specifics with you as needed. Thanks, again, for your support in ensuring we have the consistent data that comes from high participation.

Job opportunity at our school!
