Skyline School Continuous Improvement Plan (SCIP) 2023-2024

PPS Board Goals Guidance to complete

School	Skyline K-8	Principo	Principal Sherry Malone Date: June 27, 2023								
Vision			with big hearts, open minds, and critically engaged learners.								
Mission	open-minde Profile, build	line K-8, we foster knowledgeable students, caring community members and minded global citizens. We do this by modeling and practicing the IB Learner, building meaningful relationships, teaching social-emotional skills, and delivering at that values diverse perspectives.									
Comprehensive Needs Assessment Summary											
What dat team exa		 Measures of Academic Progress (MAP) fall & winter growth OSAS Data Spring 2023 Successful School Survey Results Spring 2023 Attendance data FIT fall 2022 data 									
What do	you notice ir	the dat	ta?								
Demographics:		Our numbers are small overall and our racialized groups smaller, so in looking at data by grade level, BIPOC students were grouped together to protect privacy of individuals and focus on overall achievement. Skyline K-8 By Racial Groups (214 total) Asian: 10 Latinx: 30 Mult.: 21 Native: 1 Pac. Is: 1 White: 151 5% 14% 10% .5% .5% 71%

Attendance Classification Key:								
Good attendance 95-100%	Acceptable attendance 90–94%	Chronic attendance 80-89%	Severe attendance 50-79%	Acute attendance Below 49%				

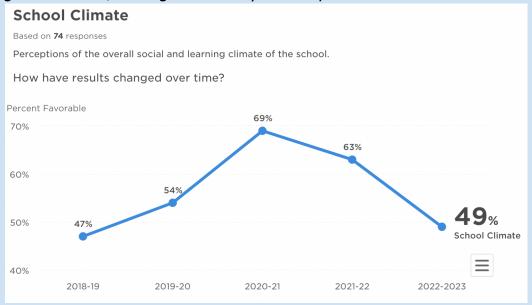

Skyline had a 92.5% (acceptable) attendance rate for the 2022-2023 school year compared to overall PPS rate of 89.5% (chronic).

- -We had no students in status of acute attendance
- -We had 4 active students in the status of severe attendance (2%)
- -We had 41 active students in the chronic attendance status (19.5%), with the two major reasons being illness and vacation.

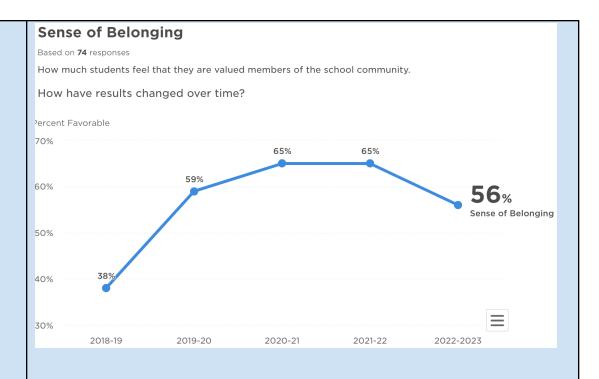

From the 2022 Successful School Survey (Climate & Sense of Belonging):

Grades 3-5

Our favorable responses on School Climate dropped from last year by 14% and from a 6% drop the year below. PPS average for Climate for 3-5th graders is 58%, 11% higher than Skyline's response rate.

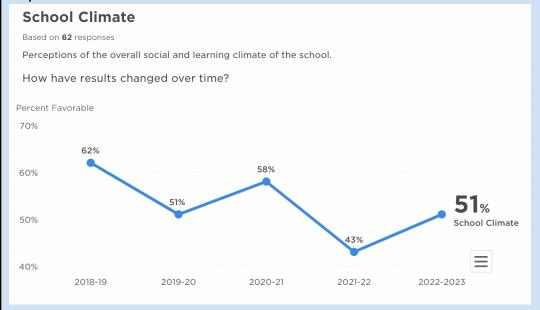

Our favorable responses on Sense of Belonging dropped from last year by 10%. PPS average positive response for Sense of Belonging for 3-5th graders is 62%, 6% higher than Skyline's response rate.

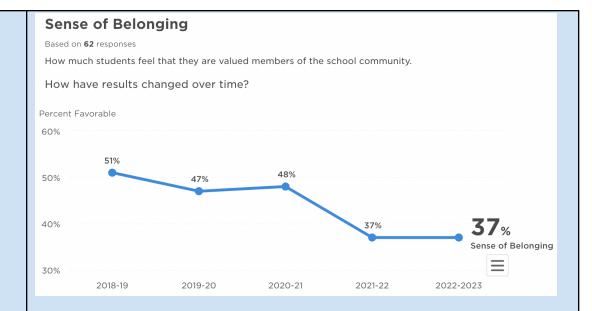

Grades 6-8

Our favorable responses on School Climate rose from last year by 8%. PPS average for Climate for 6-85th graders is 40%, 11% lower than Skyline's response rate.

Our favorable responses on Sense of Belonging did not change from last year. PPS average positive response for Sense of Belonging for 3-5th graders is 34%, 4% lower than Skyline's response rate.

School Instructional Leadership reflections on systems of behavioral support:

From the FIT Assessment, Fall 2022 (scale 0-3), MTSS supports improvement in the following areas:

- Item 4.2 School uses universal behavior and social emotional screening for purposes of planning and identifying students at-risk of not meeting behavioral and social- emotional expectations. (0)
- Item 4.3 School has clear behavior and social-emotional decision rules based on universal screening data. (0)
- Item 4.5 School has clear behavior and social-emotional decision rules based on progress monitoring data. (0)
- Item 4.7 School has available Additional (or Tier II) support to supplement Universal behavior and social emotional support. (1)
- Item 4.9 School teams use schoolwide Universal, Additional, and Intensified behavior/socialemotional fidelity and outcome data to assess, adapt, and improve practices and policies.
 (0)

Skyline students, in both 3rd and 8th grade, exceeded the PPS School Boards goals in achievement on MAP achievement assessments, and there is not a numerically significant racialized gap of learning between our white and BIPOC students. Students

English Language Arts (ELA) achievement

(3th & 8th grades)

<u>School Instructional Leadership reflections on systems of academic support:</u>

From the FIT Assessment, Fall 2022 (scale 0-3), MTSS supports improvement in the following areas:

- Item 3.3 School has clear academic decision rules based on universal screening data. (0)
- Item 3.4 School demonstrates ongoing and frequent progress monitoring in literacy. (1)
- Item 3.5 School has clear academic decision rules based on progress monitoring data. (0)
- Item 3.6 School provides Universal (or Tier I) literacy support for all students through core curriculum, including associated materials and instructional strategies that are grounded in research. (1)
- Item 3.7 School has available Additional (or Tier II) instruction and support to supplement Universal literacy instruction. (1)

Item 3.8 School has Intensified (or Tier III) support to supplement Universal and Additional literacy support. (1)
3rd Grade ELA related data: -100% (5 of 5 students) of our BIPOC students achieved Average (grade
level proficiency) or above on the Winter 2023 MAP Assessment, compared to 82% of our White students. - Waiting for Spring 2023 OSAS data
-6 students have language related IEPs
87% (5 of 6 students) of our RIPOC students achieved Average (grade level

- -83% (5 of 6 students) of our BIPOC students achieved Average (grade level proficiency) or above on the Winter 2023 MAP Assessment, compared to 100% of our White students.
- -Waiting for Spring 2023 OSAS data
- -2 students have ELA related IEPs

Skyline students, in both 5th and 8th grade, exceed the PPS School Boards goal's in achievement, and there is not a numerically significant racialized gap of learning between our white and BIPOC students.

<u>School Instructional Leadership reflections on systems of academic support:</u>

From the FIT Assessment, Fall 2022 (scale 0-3), MTSS supports improvement in the following areas:

- Item 3.3 School has clear academic decision rules based on universal screening data. (0)
- Item 3.9 School demonstrates ongoing and frequent progress monitoring in mathematics. (1)
- Item 3.10 School provides Universal (or Tier I) mathematics support for all students through core curriculum, including associated materials and instructional strategies that are grounded in research. (1)
- Item 3.11 School has available Additional (or Tier II) instruction and support to supplement Universal mathematics instruction. (0)
- Item 3.12 School has Intensified (or Tier III) support to supplement Universal and Additional mathematics support. (0)

5th Grade Math related data:

Math achievement

(5th & 8th grades)

- -67% (6 of 9 students) of our BIPOC students achieved Average (grade level proficiency) or above on the Winter 2023 MAP Assessment, compared to 65% of our White students.
- -Waiting for Spring 2023 OSAS data
- -2 students have math related IEPs

8th Grade Math related data:

- -67% (4 of 6 students) of our BIPOC students achieved Average (grade level proficiency) or above on the Winter 2023 MAP Assessment, compared to 100% of our White students.
- -Waiting for Spring 2023 OSAS data
- -2 students have math related IEPs

What inequities in student outcomes did you notice and want to bring forward in planning?

Disaggregate by race, gender, orientation, students with disabilities and students learning English.

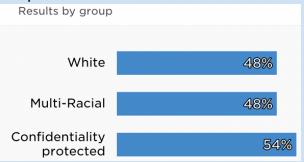

Attendance rates:

-no numerically significant inequities by race, gender, orientation, IEPs for students learning English

Successful School Survey Related Data:

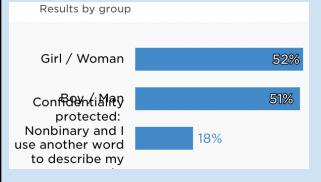

(Climate) Grades 3-5th grade

-the favorable responses showed no inequities in how BIPOC students feel compared to their while classmates:

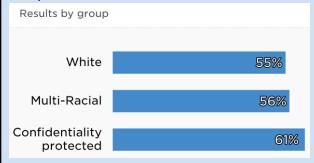

-But did show inequities in how our non-binary students feel:

The inequities:

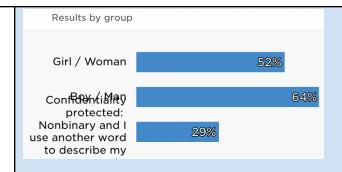

(Sense of Belonging) Grades 3-5th grade

-the favorable responses showed no inequities in how BIPOC students feel compared to their while classmates:

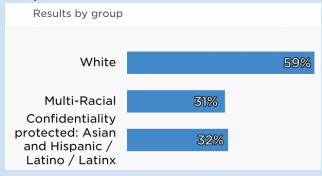

-But did show inequities in how our non-binary students feel:

(Climate) Grades 6-8th grade

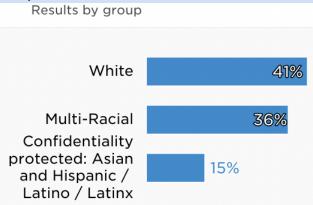

-the favorable responses shows inequities in how BIPOC students feel compared to their while classmates:

-the favorable responses showed no inequities by gender.

(Sense of Belonging) Grades 6-8th grade

-the favorable responses shows inequities in how BIPOC students feel compared to their while classmates:

-the favorable responses showed no inequities by gender.

3rd Grade ELA Related Data:

-Students with IEPs disproportionately score lower than their classmates -no inequities by race, gender, orientation or students learning English

8th Grade ELA Related Data:

-no numerically significant inequities by race, gender, orientation, learning needs, students learning English

5th Grade Math Related Data:

-no numerically significant inequities by race, gender, orientation, learning needs, students learning English

### Sth Grade Math Related Data: -no numerically significant inequities by race, gender, orientation, learning needs, students learning English English & Math Benchmarks (3rd, 5th, 8th Grades): -Our staff needs to better clign our universal screening, interventions and progress monitoring process to support students who are 1 or more grade levels behind in Math or English as indicated on universal screeners. (Tier II & III) -Our students need continued interventions when they struggle to meet grade level benchmarks. School Climate & Belonging: -Our students need continued interventions when they struggle to meet grade level benchmarks. School Climate & Belonging: -Our students need tools & explicit instruction to navigate struggles with peer relationships -Our students need tools & explicit instruction to navigate struggles with peer relationships -Our students in upper elementary and middle school do not feel a strong sense of belonging or feel a strong positive school culture -The format of the questions on the Successful School Survey (SSS) led some students to answer in such a way that did not really reflect their thinking and feelings. How does this connect to the Graduate Portrait and RESJ Framewor k	Graduate I		A graduate of Portland Public Schools will be a compassionate critical thinker, able to collaborate and solve problems, and be prepared to lead a more socially just world. 3.3 Ability to integrate culturally responsive and gender-inclusive practices into strategies to increase student success.		
Which PPS- specific domain(s) does this strategy support? In what ways?	Leadership		Joyful Learning and Leadership (PPS Core Value): We believe in learning and leading in ways that foster human connection, deep appreciation for each other, satisfaction in our work, and appreciation of the learning process.		
	Talent Development		Advance Our Organizational Learning Culture and Practice (Strategic Plan, theme 3): Our coherent, system-wide, culture of adult learning provides systems and supports that spur growth, innovation, and collaboration.		

Stakeholder Engagement and Partnership	Implement a Proactive, Effective, and Creative Communication Practice (Strategic Plan, theme 4): Our communications practice proactively informs internal and external stakeholders in ways that are respectful, transparent, and inclusive of our linguistically and culturally diverse communities.	
Well-Rounded, Coordinated Learning	Embed System-Wide Data-Driven Continuous Improvement Practices (Strategic Plan, theme 3): We effectively and consistently use data to drive cycles of continuous improvement that lead to decisions and actions that improve student outcomes.	
Inclusive Policy and Practice	Implement Multi-Tiered System of Supports (Strategic Plan, theme 2) Our strongly aligned system of tiered supports provides progressively targeted and individualized supports for students, based on student data, decision criteria, educator collaboration, and using evidenced-based academic, social-emotional, and behavioral interventions that are culturally responsive and eliminate barriers to learning.	

School Plan Self-Monitoring Routines

Please describe the school plan to install quarterly or trimesterly "Plan - Do - Study - Act" (PDSA) routines.

Example: Goal 1 data will be reviewed shortly after the data from each administration of MAP is available.

Goal 1 Climate: The Instructional Leadership and Staff will meet to review this goal each quarter and will use metrics from student discipline data, staff surveys, student surveys, and walk through data to evaluate the effectiveness of strategies to build community.

Goal 1 Literacy: Instructional leadership team and grade level PLCs (3, 5, 8) will review this goal at the end of quarter 2 using MAP data from Fall and Winter testing windows. The teams will meet again in Quarter 4 to review when Spring MAP data is available to compare to previous testing windows. For 8th grade, OSAS results will be reviewed when available.

Goal 3 Numeracy: Instructional leadership team and grade level PLCs (3, 5, 8) will review this goal at the end of quarter 2 using MAP data from Fall and Winter testing windows. The teams will meet again in Quarter 4 to review when Spring MAP data is available to compare to previous testing windows. For 8th grade, OSAS results will be reviewed when available.

The chart below is to be completed at the time of each review of goal data. Extra rows can be added as needed.

Performance Updates						
Date	Strategy (e.g. "1.1 Increase % of students reading at grade level")	1.1 Increase % What does your evidence reading at show?		What will you do? What adjustments are needed?	What supports are being provided? Are they helpful? What more or different is needed?
