

CULTURE IN THE CLASSROOM

YOU'RE INVITED

Come to the **Culture in the Classroom Community Event** to foster unity, trust, and action between Black and Native/Indigenous communities.

YOUR VOICE, YOUR VISION, YOUR IMPACT

This is more than a conversation—it's an opportunity to shape the future of our schools. Together, Black and Native communities will identify actionable steps to create classrooms that honor our students' culture, support their success, and ensure their voices are heard.

WHAT YOU CAN EXPECT

- An opportunity to share your insights and priorities.
- Collaborate with community to build a collective vision for equity.
- Explore actionable steps to ensure culturally affirming and engaging classrooms.
- A direct connection between your voice and decision-makers in the district.

LET'S BUILD BRIDGES TOGETHER

We invite families, students, and community members who identify as Black and Native to join us in shaping a better future for our students. Together, we can make a difference.
