

STUDENT VOICE EVENT - MAY 12TH

Lend Us Your Voice!

Your Voice is Essential!

Please join us for our statewide student voice event. Bring your thoughts, questions, and experiences on Distance Learning to share with educators from around the state.

There's Only One You

We would love to hear how you and your family are navigating the changes that have come with COVID 19 and the resulting Distance Learning. Understanding your experience can help us better understand how to support all students.

We Hope You Join Us

Tuesday, May 12th, 2020
