

Indian Ed provides supplementary education support to approximately 950 district students of documented American Indian ancestry, representing over 100 US tribes.

# WHAT IS TITLE VI INDIAN EDUCATION?

Title VI Indian Education serves as the bridge between families and the Portland Public School district by providing a rich array of programs and services for students, parents, and teachers!

We offer cultural education to connect students with their Native history, cultures and traditions, instilling pride and the confidence to achieve

## OUR GOALS:

1. Improve academic achievement
2. Increase student retention
3. Increase Native cultural awareness & connections
