First Robotics: Mondays (\$50)

FIRST robotics introduces science, technology, engineering, and math (STEM) to children through fun, exciting hands-on learning. Led by Angie Smith, students will gain real-world problem-solving experiences through a guided, global robotics program, helping today's students and teachers build a better future together.

First Tech Challenge: Wednesdays (\$0) is a program where individuals interested in robotics and STEM work together, learning to engineer and code robots to compete in competition. It also involves several other essential skills such as teamwork, outreach, and problem solving. In this course, FTC members from the Ida B Wells robotics teams will teach you how to build and program basic robots using core FTC components, giving students an introduction to the world of FTC. If you have more questions about the course, feel free to reach out to us at loosescrews7776@gmail.com.

Kung Fu: Wednesdays (\$0)

Learn traditional Chinese kungfu along with modern martial arts in a super safe supportive environment. Anyone of any or no martial arts background can participate. Learn to kick, punch, block, grapple, and traditional Chinese Kungfu forms. Mr. Nowland has a black belt in Chinese 5 Animals Kung Fu and a brown belt in Brazilian Jiu Jitsu. He has been practicing for over 40 years, and teaching for 30. He has studied karate, aikido, kungfu, tai chi, jiu jitsu, and muay thai.

Dungeons & Dragons: Tuesdays and Thursdays (\$150)

Ready to partake on an imaginary adventure exploring castles, dungeons, defeating monsters, and discovering lost treasure? Create your own unique character and play through adventures, using roleplay, problem-solving, creativity, and collaboration. If you like to have fun and be creative, this is the place for you!

Drama: Tuesdays and Thursdays (\$150)

This winter session will be led by Hand2Mouth theater company. Students will collaborate on improv and acting games, small group and partner scenes, play critical thinking games, and work on their creative writing skills and film making.

Ultimate Frisbee: Tuesdays (\$25)

This class will be led by Robert Gray's very own Mike Street! Come learn to play Ultimate Frisbee—an awesome, fast-paced sport that's all about teamwork, respect, and having fun! You'll build skills like throwing, catching, game strategy, and spend lots of time playing. No experience needed—just bring your energy and get ready to jump in!

Arts & Crafts: Mondays and Wednesdays (\$50)

Time to unleash your inner artist through collage, painting, oil pastels and more! This class is led by Geniver Garcia-Gomez

Robert Gray SUN Classes: **Spring** 2025

April 14th-June 5th

Lunchtime Affinity groups: (\$0)

The Robert Gray SUN program helps coordinate affinity groups during lunch time such as: GSA (Gay Straight Alliance), ADPI (Asian Desi Pacific Islander), JSU (Jewish Student Union) and SOL (Students Organizing for Leadership). No registration is required for this class, however we greatly appreciate signing up.
