

Student Representative and District Student Council Policy

The Student Representative to the Board of Education has a variety of important roles and responsibilities, including representing the views of students on matters of concern to students; encouraging the involvement of students in educational affairs; convening student meetings to provide information and receive input about proposed actions by the Board or the District; as time allows, participating in other events attended by Board members; and being an articulate voice to the public on matters of concern to students.

The Student Representative will be provided a complete orientation on Board governance in order to contribute to the Board's and School District's work. The Student Representative will then be responsible for attending public meetings, work sessions, and events of the Board and receiving and reviewing non-confidential materials provided to Board members.

1) District Student Council (DSC).

It shall be the responsibility of each District High School student government to provide for the election of a district representative that will also be a position on each high school's Associated Student Body (ASB) or equivalent governing body. In the event that the District High School student government fails to promptly conduct such an election, the school administration and leadership advisor(s) shall ensure that the District High School student body has representation on the DSC. Any such student chosen by the administration is not eligible to be a candidate for Student Representative.
