

JUNIORS and SENIORS: Take a Class at PCC!

Step 1:

Make sure you have your G number and can access your "MyPCC" account. If you don't have a G Number, or have any questions about PCC classes, come to office hours!

Step 2:

Select a Fall Term Course → Go to <http://www.pcc.edu/schedule/>, then select Advanced Search to find courses that will fit in your Jefferson course schedule. Take a picture or write down the course name (like CG100) and the 5 digit CRN for class, or use the course selection worksheet to keep track.

PCC classes can be taken before or after school or can replace certain elective classes at Jefferson - talk with your counselor, Brittany Warren, Nicole Dalton, or Moryah Schindler for help finding a time to take a class.

Step 3:

Visit the Middle College Office and work with Tahja or DaMarcus to get registered for a class. This must be done before you register in order for PPS to pay for your classes.
