

# PPS 2021-22 Guidance CommonLit

## Resource Description

- [CommonLit](#) is an optional resource to support ELA.
- Resources support Tier 1, Tier 2, and Tier 3
- Technology-enabled resources for teacher-led whole class, small group instruction, or individually.
- Digital Library organized by lexile level, fiction/non-fiction, thematic, and book pairings.
- Resources are accessible online and available in printable, projectable, and digital formats.
- All resources feature a read-aloud function, interactive annotation tools, and text translation in over 30 languages.

## Access

<b>G3-5 General Education</b>	<b>G3-5 English Language Development</b>	<b>G3-5 Learning Center</b>
<b>G3-5 Special Education Focus Classrooms (SES, CB, IS)</b>	<b>G3-5 Dual Language</b>	
<b>G3-5 Instructional Specialists (in K-5 &amp; K-8 schools)</b>	<b>MS &amp; HS ELD teachers with newcomers</b>	

- Teachers can use the, "[Take A Tour](#)" PD to create or import their class.
- Teachers who [create/import](#) their class have access to [customizable assignments](#) focused on reading skills, writing skills, or both with various features for differentiation.
- CommonLit has free data analytics to track your class and [student performance](#) over time on key standards.
- Teachers can browse the [library](#) under the following categories: Texts, Themes, Book Pairings, Text Sets, Units, Spanish Content and a CommonLit Blog.
- Teachers can search the Library by using [lexile range](#).
- Support teachers can join a class as a [Co-Teacher](#).

## Curricula & Resources

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
