<p><b>PLEASE NOTE:</b></p> <ul style="list-style-type: none"> <li>● <i>Beginning this year, the communal student supplies we typically request (like copy paper, hand sanitizer, disinfecting wipes, etc) will be purchased by the school instead of by parents. This allows us to purchase them at a bulk price, purchase exactly what we need, and eliminates the need for families to deliver these supplies in person. We are asking <b>\$15 per student toward that cost</b>. You can make this payment online at <a href="http://schoolpay.com">schoolpay.com</a></i></li> <li>● <i>Please consider a <b>\$10-\$20 contribution</b> to support our student activities here at MTMS. In years past, these donations have supported activities, classroom supplies, field trips, affinity groups, planner, and positive incentives. While some of these things may not apply in our Distance Learning environment, they will need to be utilized when we return to on-campus instruction. Donations can be made online at <a href="http://schoolpay.com">schoolpay.com</a> We appreciate your ongoing support.</i></li> <li>● <i>There is no need for you to purchase an assignment book or agenda. When we return to campus for hybrid instruction, we have planners to distribute. We are encouraging students to use their calendar in Canvas to keep track of their assignments and tasks.</i></li> </ul>
