# Lee Climate Plan 2025-26 School Year

---

## Mission

*Through a data-driven lens, we cultivate students' critical thinking skills and inspire them to become thoughtful leaders, while fostering an inclusive environment that celebrates diversity and recognizes the unique strengths and perspectives of every individual*

## Vision

*Our school is committed to achieving academic success for all learners by building strong partnerships with students and their families*

## Core Values

Be Safe  
Be Respectful  
Be Responsible

## WHAT IS SCHOOL CLIMATE?

### SCHOOL CLIMATE OVERVIEW

School Climate encompasses culturally relevant Positive Behavioral Interventions and Supports (PBIS), restorative practices and schoolwide transformative social-emotional learning opportunities for all students. Racial equity and social justice are woven into all aspects of school climate to ensure that all students experience a sense of belonging and have a positive school experience.

## **MULTI-TIERED SYSTEM OF SUPPORT**

School climate is an essential component of the Multi-Tiered System of Support (MTSS) framework. MTSS is a proactive, data-driven practice used at Portland Public Schools to support all students. It uses evidence-based instruction, intervention and assessment practices to ensure that every student receives the appropriate level of support based on their level of need. These tiered academic and behavioral interventions help eliminate barriers to learning and enable every student to successfully reach their full potential.

## **SCHOOLWIDE VALUES AND COMMON AREA EXPECTATIONS**

### **Our School's Core Values are**

Be Safe

Be Responsible

Be Respectful

Our Core Values were created with student, staff, caregiver & community input. These values are posted throughout the school in order to make them visible to students, staff and caregivers. The intention is to share a consistent message about what we value as a school community and what this looks like in common areas and classrooms across the school.

Our core values are woven into our social emotional learning curriculum as well as regular teaching practices in every lesson and in every class period throughout the grade levels. Staff name the values consistently, strategically teach and review them throughout the school year and positively reinforce them when interacting with students.

### **Common Area Expectations**

Lee Common Area Sample Expectations from Student Handbook:

Hall	<ul style="list-style-type: none"><li>• I walk facing forward</li><li>• I stay to the right following the flow of traffic</li><li>• I keep hands and feet to myself and off the walls</li></ul>	<ul style="list-style-type: none"><li>• I use kind words and actions</li><li>• I use Voice Level 0</li><li>• I respect the personal space of others and learning happening in class</li></ul>	<ul style="list-style-type: none"><li>• I use a hall pass</li><li>• I go right to my destination and return without other detours</li></ul>
Playground/ Field & Courts	<ul style="list-style-type: none"><li>• I walk to and from play area</li><li>• I stay within boundaries</li><li>• I use playground equipment the way it was meant to be used</li></ul>	<ul style="list-style-type: none"><li>• I use kind words and actions</li><li>• I play fairly</li><li>• Everyone is allowed to play</li></ul>	<ul style="list-style-type: none"><li>• 1 Whistle = Freeze</li><li>• 2 Whistles = Line Up</li><li>• I use 2 problem solving strategies</li><li>• I tell a teacher about possible dangers or problems</li></ul>

## TEACHING COMMON AREA EXPECTATIONS

All students are taught the common area expectations at least three times a year after long breaks.

## SCHOOLWIDE (TIER 1) CLIMATE PRACTICES

Each {insert school name} student deserves to come to school and feel seen, safe and valued. In order to make this happen, adults across the school intentionally support all students by implementing the following:

### Classroom Community Building/Tier 1 Supports

#### **Staff responsibility for all students:**

- Greet students for a daily positive initial interaction (In hallways, at classroom doors, during morning meetings, while on duty, etc)
- Post school-wide values and expectations in classrooms and common areas
- Explain and practice school-wide expectations and review them throughout the year
- Social Emotional Learning (Zones of Regulation and Mindful practices)
- Acknowledge positive student behavior with Leopard Awards and parent communication
- Differentiated instruction for all students (Talented and Gifted, English Language Learners, Special Education, etc)
- Build positive relationships and remain knowledgeable about students' lives (1:1 instruction, know below-the-line information)
- Classroom community activities embedded in daily routine (e.g. Morning Meeting, check-ins with students)

## STUDENT INTERVENTION TEAM: ADDITIONAL BEHAVIOR & ACADEMIC SUPPORTS (TIER II AND TIER III)

When Tier 1 classroom and schoolwide supports are not enough to ensure student success, students may be brought to the school Student Intervention Team (SIT) to develop and implement Tier II and III interventions.

The Student Intervention Team (SIT) is a collaborative, general education solution-generating team made up of a variety of school perspectives. The purpose of the SIT is to

- support teachers in reflecting on and enhancing their Tier I practices and
- implement targeted Tier II and III behavior and Tier III academic interventions when needed.

Utilizing an equity lens, the team considers the whole student when making decisions that affect their long-term educational experience and sense of belonging in PPS. SIT works to provide every student and adult what they need to thrive in the general education setting. **Caregivers are notified about student strengths and challenges, as well as planned interventions, at all points in the process.**

### DEFINING STAGE 1 AND STAGE 2/3 BEHAVIORS

Behavior level calibration will be conducted by building staff in order to properly reflect the evolving needs of our community and to accommodate the diverse racial, cultural, linguistic and developmental needs of our school.

#### Defining Behaviors

### DEFINING STAGE 1 AND STAGE 2/3 BEHAVIORS (1.5)

Behavior level calibration will be conducted by building staff in order to properly reflect the evolving needs of our community and to accommodate the diverse racial, cultural, linguistic and developmental needs of our school.

#### Defining Behaviors

##### Introduction

At Jason Lee Elementary, we believe that every child can and will succeed academically and behaviorally given conditions that meet their individual needs. We see that the traditional use of punishment in response to misbehavior tends to alienate children from their school community and often escalates or complicates unsuccessful behaviors. It is critical that we explicitly, intentionally and regularly teach, practice and reinforce positive behavioral expectations for all students in every classroom and in the school overall.

Student misbehavior communicates to us unmet social and emotional needs and also demonstrates gaps in social and cognitive learning. Meeting unsuccessful behaviors with compassion and curiosity allows us to understand how to help students learn and find success. While corrective consequences are effective in some circumstances, instructional and restorative responses often allow us to strengthen relationships with students who are struggling while they develop the skills that will lead to success in the future.

It is our responsibility as a school to develop a multi-tiered system of support for students and to utilize these supports regularly to ensure that all students have access to success. There is stark and ample evidence

that our systems of discipline have disproportionately and negatively affected our students of color. In response, we strive to take an active role in correcting this injustice and maintaining systems of support and instruction that are equitable for all.

## Defining Behaviors

## **DISCIPLINE POLICIES**

Lee has created and calibrated around a flowchart to describe how staff respond to unexpected behaviors. If a student is escalated such that the flowchart below does not meet their needs, they may utilize the school's de-escalation space. De-escalation spaces are a predesignated non-punitive space in the school, not the classroom, for students to de-escalate with adult support.

### **Purpose of All Student Behavior Responses: De-escalate, Resolve, Restore, Re-teach, Return to Learning**

## **EFFECTIVE CLASSROOM PRACTICES PLAN**

Every teacher will have an Effective Classroom Practices Plan (ECP Plan). These plans cover the essential features of effective classroom practices: Structure, teaching expectations, acknowledging positive behaviors, and supporting regulation & restorative practices.

Co-creating classroom practices reduces variability between classrooms and makes it more consistent for students. Teachers are given time to create aligned plans prior to the start of school and plans are shared with administration no later than the day before back to school night.

## **FEEDBACK AND ACKNOWLEDGEMENT SYSTEMS**

Research shows that when staff observe and acknowledge students exhibiting expected behaviors, those behaviors will increase and unexpected behaviors will decrease. Specific praise is important in increasing the recurrence of expected behaviors. When observing expected behaviors in the common areas/ classrooms/ buses, all staff acknowledge students exhibiting our core values verbally, with specific praise, and by awarding.

## ***DATA THAT INFORMS OUR CLIMATE PLAN***

### **Culturally Responsive Tiered Fidelity Inventory (CR-TFI) & Fidelity Implementation Tool (FIT)**

This School Climate Plan is under continuous review using both the CR-TFI and domains in the FIT Assessment that pertain to strong and positive school culture and inclusive behavior/social emotional instruction. These tools guide the action planning for the implementation of a positive school climate and connect directly with this School Climate Plan and the School Continuous Improvement Plan.
