Every student is required to secure their phone and smartwatch (on silent) in a personally assigned lockable Yondr Pouch before they arrive on campus.

Students may use the main office phone for emergency phone calls. Parents may call the school office to have a message delivered to their students in the event of an emergency.

While the Yondr Pouch is considered school property, it is each student's responsibility to bring their Yondr Pouch with them every school day and keep it in good working condition.

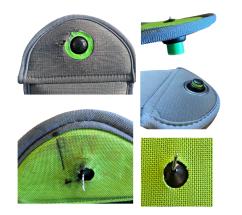

At the end of their school day, students will have access to unlocking stations to open their Yondr Pouch. Students are responsible for bringing their assigned Yondr Pouch to and from school each day.

If a student has a cell phone/smart watch outside of a Yondr Pouch, during school hours while on campus, the cellphone will be collected and held in the office. This will result in a level 2/3 disciplinary incident (see student handbook). Collected cell phones will only be released to parents/guardians.
