# What is the CJYA?

- **Members are thought partners in defining the Climate Justice department's goals for climate action, student leadership, and community engagement.**
- **It's a great opportunity to connect with like-minded peers all across the district.**

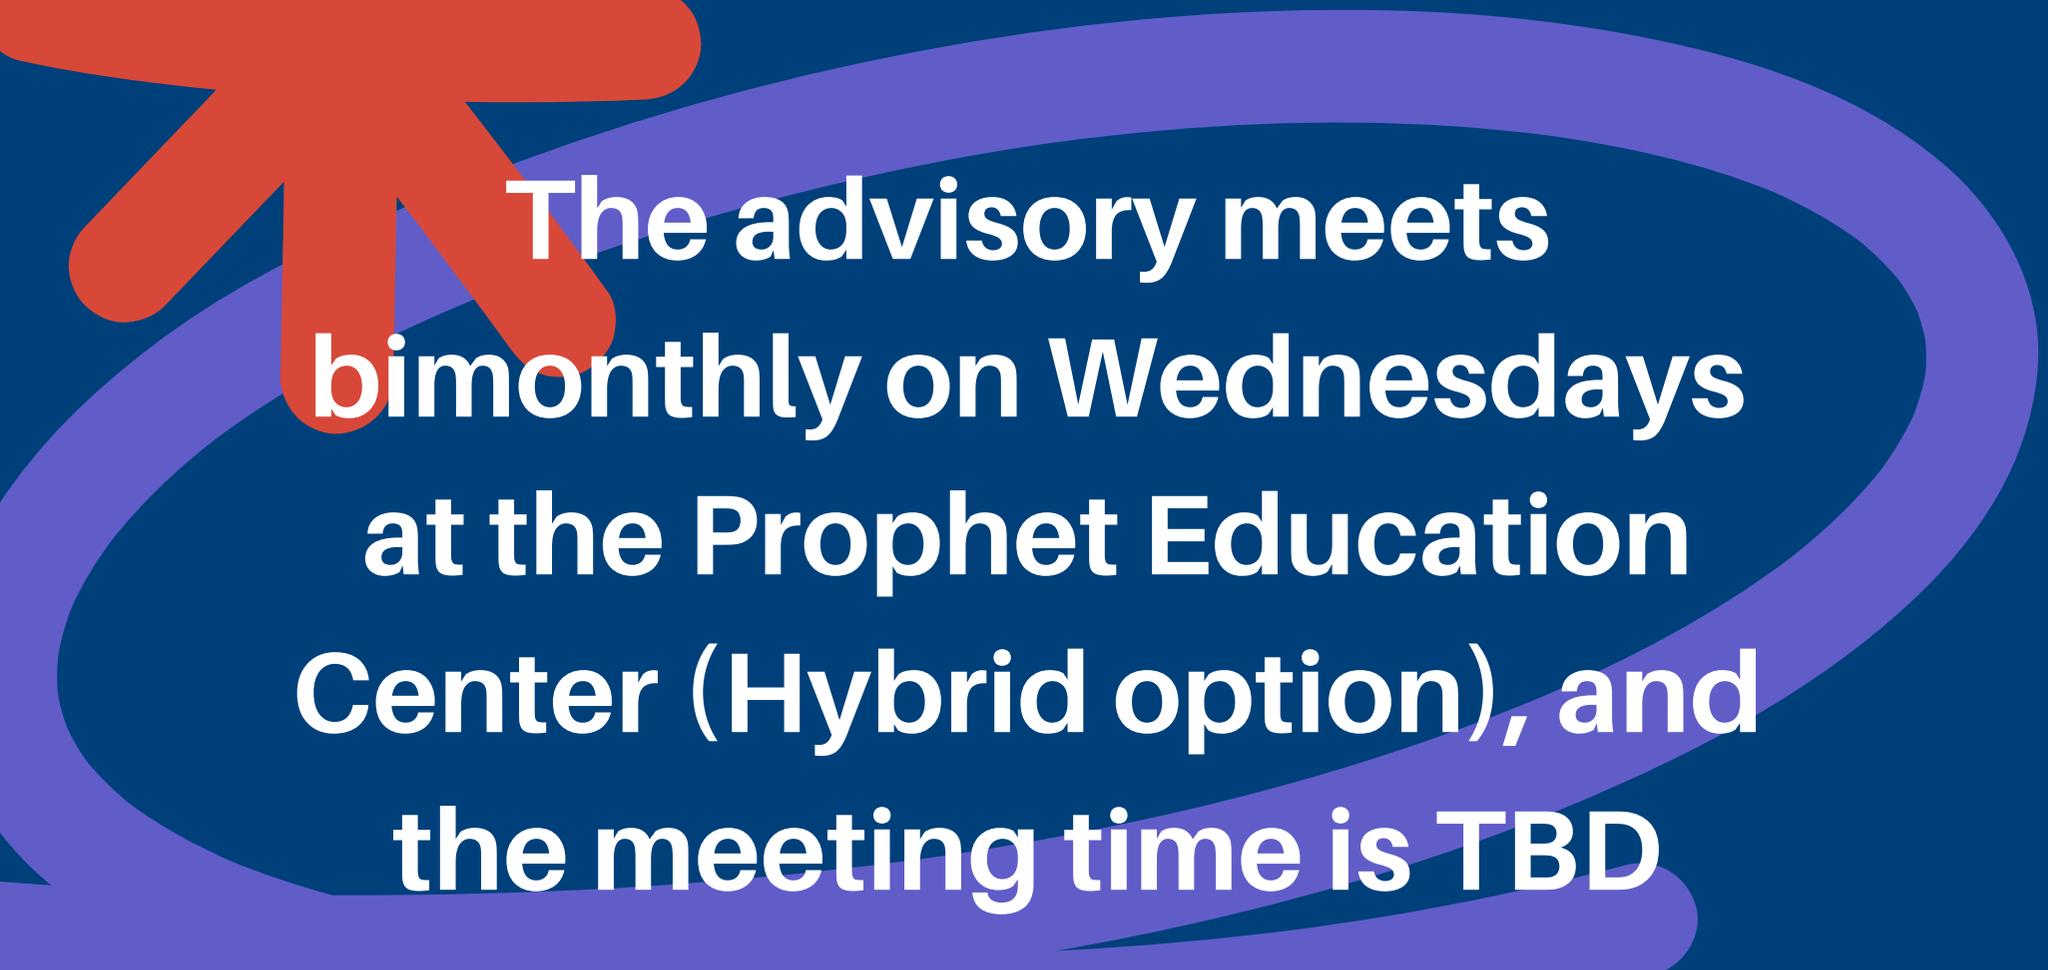

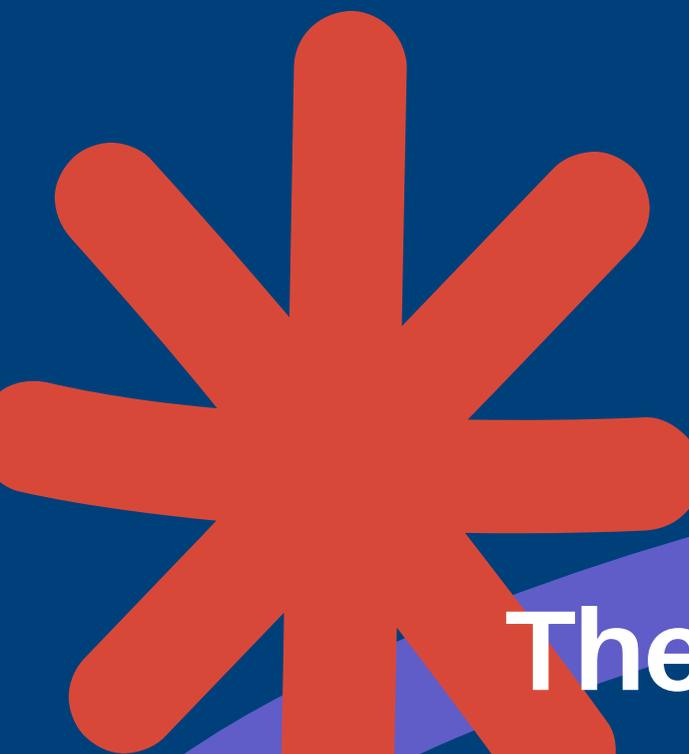

# CJYA members help design the PPS Spring Climate Summit

- Which is, a day-long event for HS students with workshops and guest speakers

**The advisory meets  
bimonthly on Wednesdays  
at the Prophet Education  
Center (Hybrid option), and  
the meeting time is TBD**

**There will be snacks!**
