Kindergarten Music Performance

Thursday night our kindergarten students sang for families at an evening performance and it was lovely. Thank you to Ms. Barlow, Ms. Corbett, Ms. Gooselaw, Teacher Jess and Ms. Whitaker for coaching and guiding our youngest Beagles through their musical education.

From the Health Room: Exclusion Day

Exclusion day for state required vaccinations is Wednesday February 15th. Letters will be mailed to parents whose children are not up to date or whose records are incomplete. Should you receive a letter, please provide updated information to the school as soon as possible. Children who are not current with vaccinations by February 15th will not be able to attend school until records are up to date. If you need assistance with locating a health care provider or clinic site, please contact our school nurse, Trudy Davis tdavis@mesd.k12.or.us.

Last Day of Open Enrollment for 2023 Health Coverage (By 1/15)

January 15th is the last day of open enrollment for private health insurance in Oregon's health insurance marketplace. Open enrollment is the only time when anyone who is not offered insurance from a job or a public program like the Oregon Health Plan or Medicare can enroll in health coverage through OregonHealthCare.gov, often with financial help.

Health insurance covers essential health benefits critical to maintaining individual health and treating illness and accidents. Health insurance helps to reduce medical and prescription drug costs, making

health care more affordable and thus more accessible. For more information, see this [How to Get Health Insurance flyer](#).
