### National No One Eats Alone Lunch Event

This week, our Beagles participated in a National No One Eats Alone lunch event. In their classroom counseling lessons, students practiced language for how to invite new friends to sit with them at lunch. At lunch time, students engaged in fun conversation starters handed out by 5th grade leadership, such as, "If you were an animal, what would you be and why?" or "Would you rather live in the country or the city? Why?"

It was inspiring to see our students take their task seriously to make sure no one eats alone.

### PTA General Meeting
