March 15 is Digital Learning Day!

Bridlemile celebrates technology in the classroom! PPS Technology Instructional Coaches will be coming to all grade level classrooms to provide integrated technology lessons. You might see some examples from this day at our April 13th STEAM Night!

Lincoln High School Men's Basketball Team

Cheer on Lincoln High School Men's Basketball Team as they head to the State Championship 6A Finals on Saturday at the Chiles Center!

Their coach, Heather Seely-Roberts, is also the only female head coach of a 6A boys varsity team in Oregon. She's the first female head coach to lead a boys' team to the 6A Finals!

She decided to lead the players and students in a dance, just like NCAA teams go dancing if selected to participate in March Madness. This is their dance after their quarterfinals game.

Watch it here! https://www.instagram.com/p/Cpgbe_ijAaz/

This dance was posted on the PPS Instagram social media account, and you might see that our Bridlemile Band was featured as a post earlier last week!

In March we recognize and celebrate Women's History Month and National Developmental Disabilities Awareness Month!
